- * Uniforms
- * Lab Learner Elementary Science Lab
- * Technology integrated into the classroom. Weekly Chrome Book time.
- * Sadlier Math Program
- * Spanish once a week.
- * Learning the life of Jesus and how He is our friend.
- * Open Court Literacy program.
- * Large Classroom Space with small group "break-out" and individual learning.
- * Interaction with Middle School students weekly as partners (when allowed post-pandemic).
- * Community outreach opportunities.
- * Kindergarten sponsors "Make a Wish Foundation" fundraiser.

... welcomes all Faiths

Blessed Sacrament is more than just an educational institution, we are a *faith community*. We are a ministry of the Catholic Church and emphasize Catholic teachings, virtues, and traditions. However, we value diversity and a respect for all faiths. Families from other faith backgrounds are a welcome part of our school community.

In a Catholic school, all students are expected to attend and participate in prayer, the Mass, and religious education classes. During the course of the year students participate in special activities that help us celebrate the different seasons of the Catholic Church. Students celebrate the true meaning of Christmas and Easter, observe the seasons of Advent and Lent, and learn about and honor the saints, holy men and women who are role models for us in our journey of faith.

For non-Catholic students, the focus is on deepening personal relationships with Jesus Christ and developing a greater understanding between Christian churches. Our school does not try to convert students of other denominations.

We invite you to ask us any questions you may have regarding faith development and instruction.

Kindergarten Readiness

Eat unassisted and use silverware.

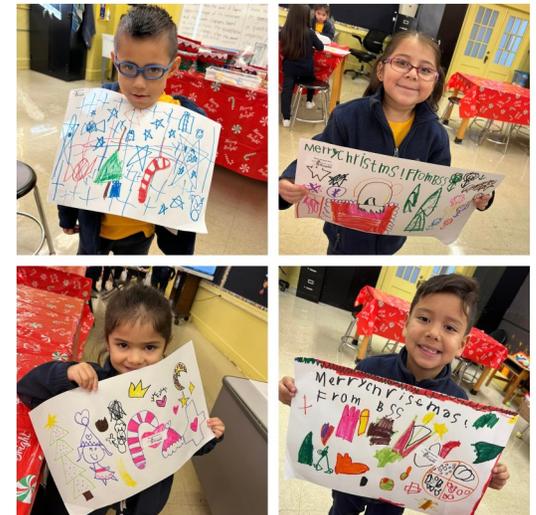

Sit for short periods of time (15 minutes).

Follow a rule.

Know their first and last name.

Be able to communicate their personal needs.

Have all required immunizations
