

# BLESSED SACRAMENT SCHOOL

Dear Blessed Sacrament School Families:

The number one priority of Blessed Sacrament School is, and will be, offering a superior academic and spiritual education to our students that respects and reflects the selfless investment you make to provide an excellent Catholic education opportunity for your son or daughter. As we continue this mission, operating needs and cost of living increases require us to slightly increase tuition and fees for the 2025-2026 school year for our K-8 students by \$1,200.00. Our enrollment, STEAMM fees & Little Knights tuition will remain the same. Our K-8 tuition will be the only fee to increase.

Be assured, we will continue our tradition of fiscal discipline which allows us to maximize dollar value and respects the selfless investment parents make when choosing a quality Catholic education for their children. The new tuition structure will help Blessed Sacrament School maintain equitable salaries for teachers, help offset some of the increased costs for maintaining both campuses, aid in the purchasing of materials for staffing, students' STEM Projects & Chromebooks, pay for school-sponsored events throughout the school year, and maintain the grounds and buildings.

We would like to personally thank all our Blessed Sacrament School families for consistently supporting our quest to provide quality education while maintaining fiscal responsibility.

Yours in Christ Jesus,

Mrs. Maria Iniquen-Gomez  
Principal
