

BLESSED SACRAMENT SCHOOL

Enrollment Timeline for 2026-2027

January 1: FACTS Grant & Aid application opens for existing families to apply for scholarship dollars.

January 13: Announcement outlining enrollment process, dates, and 2026-2027 tuition rates.

January 20: Contracts e-mailed to families not requesting scholarship dollars. If a family needs a paper contract, please let our admissions office know and we will make it available.

February 2: The NC Opportunity Scholarship application opens for ALL families. All NC students are now eligible to apply. If your family applies for it for the first time, please let the Admissions Office know so we can adjust the tuition rate. ALL returning families will start to receive their BSS re-enrollment contracts starting this week.

February 23: Contracts due with \$265 enrollment fee for families not requesting aid.

March 31: 2025 Tax forms due to FACTS for families requesting a BSS Scholarship. FACTS closes for existing families.

April 17: Contracts will be sent to families requesting scholarship dollars from BSS. You will receive an email that will note if scholarship dollars were or weren't allotted.

May 16: Contracts due with a \$265 enrollment fee for families requesting financial aid from BSS.

Rolling admissions begins February 17, 2025, for new families. They are able to apply for FACTS Grant & Aid with the understanding that dollars are limited and will be distributed to our returning families first. Those not applying for scholarship dollars will be issued a contract and placed in a class as space allows. Priority will be given to returning families first.

Several of our classes are at or near capacity. Missing the above deadlines will cause you to forfeit your child's spot on the class roster.
