

BLESSED SACRAMENT SCHOOL

Dear Blessed Sacrament School Families:

The foremost priority of Blessed Sacrament School is, and will continue to be, delivering an exceptional academic and spiritual education to our students that honors and mirrors the selfless commitment you make to ensure an outstanding Catholic educational opportunity for your child. We are delighted to inform you that there will be no increase in tuition and fees for the 2026-2027 academic year.

Rest assured, we will uphold our tradition of financial prudence, which enables us to optimize the value of every dollar and honors the selfless contributions parents make when selecting a quality Catholic education for their children. The tuition framework will assist Blessed Sacrament School in sustaining fair salaries for educators, mitigating some of the rising expenses associated with maintaining both campuses, supporting the acquisition of materials for staffing, students' STEM Projects & Chromebooks, funding school-sponsored events throughout the academic year, and preserving the grounds and facilities.

We would like to extend our heartfelt gratitude to all our Blessed Sacrament School families for their unwavering support in our mission to deliver quality education while upholding fiscal responsibility.

Yours in Christ Jesus,

Mrs. Maria Iniquen-Gomez
Principal
