KINDERGARTEN

Virtue of the Week: Humility

Meaning: Awareness that all ones gifts come from God and appreciation for the gifts of others.

Opposing Trait: Failing to recognize the gifts of others; being too proud or having false humility.

Ways to Cultivate: Clap for someone who does a good job. "God gave me this talent.

Prayer: Dear Jesus, You said "learn from Me, for I am meek and humble of heart" (Matthew 11:29). You are God, yet You became little out of love for me. I desire to become little for the love of You. Help me to be honest about my strengths and weaknesses. May you be glorified in everything that I do!

Letter Sounds and Writing

Please continue to review the letter sounds and words we have learned thus far. Continually using the information already learned prevents knowledge loss.

Your children brought me to tears, I am so proud of them!! The learned the words "the" and "and" this week and were able to put words together into phrases and READ out of our Skills Picture Reader book!!

What we have learned: corresponding sound when presented with the following lowercase letters: 'm', 'n', 'p', 't', 'd', 'f', 'v', 'k(c)', 'g', 's', 'z', 'h', 'i', 'a', 'o', 'e'.

Students read phrases with simple CVC (consonant, vowel, consonant) words. Students substitute individual sound/spellings in simple CVC words to make and read new words.

Giving Crafts

The next two weeks are BUSY! This is such a fun time of the year and I am trying to reinforce that it is better to give than receive. We will be making some gifts and cards to give away, if there is someone special you'd like your child to make something for please let me know!

Advent We are doing daily prayers using the Jesse Tree to learn about the genealogy of Jesus. We added this to our daily prayer at the end of the school day.

While fun is had...
Knowledge is Made!

Birthday Girls!

One more than, One less than math work!

Classifying categories of math manipulatives!

Working together to play toss and compare. Each student rolled the dice and placed their piece of the correct number space. They then recorded the numbers and circled the larger number.

Snow Fun!

Math with manipulative, making the
concrete connections!

Movement spelling! As they say the
letter sound they did a squat.
Together they said the final word
and all did a squat at the same time!
