## Field Trip to GRF Museum

This upcoming week our class will be exploring the concept of family by focusing on paintings shown in the Sistine Chapel, which show the Ancestors of Christ. We will preview the art with students so we can spend our time at the museum learning and appreciating these great masterpieces which are a part of our Catholic heritage.

We will also have time to go through the Presidential Museum including the replica of the Oval Office and the Conference room. We have a picnic lunch on the grounds, so please send a cold lunch with your child.

We will leave school at 9:30 am  
Return to school at 2 pm (Leave Museum at 1:15 pm). We will be transported by bus and this trip is at no cost for students.

## NWEA Testing

Mrs. OConnor will be assisting me with NWEA testing. Reading will be Tuesday at 10:15am and Math will be Wednesday at 1:50pm. These tests are administered on the tablets and help us assess growth through the year.
