VALENTINES DAY TUES. FEB. 14

Students have already been preparing for Valentines Day, which is Tuesday February 14, by making cards for residents at Green Acres and maybe a secret mom admirer or two.

We will have a fun afternoon Tuesday! We will have music, as usual, along with stations creating several crafts, math addition and subtraction fun, and have some special snacks!

We have 5 students in our class, none with food allergies. If your student has a craft idea, feel free to send in any directions and/or supplies! Students may bring in snacks and Valentine cards as well.

CKLA NEWS

We have started CKLA Knowledge Unit 6 on Kings & Queens. This week students started writing and illustrating their own story about "Old King Cole." Students are working on writing on lined paper, writing in a straight line, capitals at the beginning of sentences and periods at the end.

In CKLA Skills we are working on letter names vs. letter sounds, learning more tricky words, and upper-case letter recognition.
