We look forward to seeing you there!

St. Mary is delighted to announce that our parish has decided to join the Heart of a Shepherd campaign for the Diocese of Cleveland. This is an extraordinary effort to better meet and serve the needs of the St. Mary and Borromeo seminaries, current seminarians, and our newly ordained and retired clergy via renovation to the seminaries, support to the clergy pensions, and relief for clergy tuition debt.

The Diocese of Cleveland is committed to training the future shepherds of the Church and to aiding those who have served our Diocese. Realizing these obligations will require the infusion of substantial funds raised through a major fundraising effort. A \$30 million campaign will support our mission to create an environment that fosters spiritual, social, academic growth and accomplishment.

Over the next couple of months, you will hear more about the ***Heart of a Shepherd*** campaign and how you may join us in supporting this historic initiative.

We are hosting two special, socially distant campaign receptions to offer you the opportunity to learn more about the ***Heart of a Shepherd*** campaign, why this is an important endeavor for our parish, and how you can make an incredible impact on the lives and future of our beloved clergy in the Church of Northeast Ohio. We will have some special guests to speak more about the campaign plans and vision for the future.

LETTER FROM THE PASTOR

Dear Parish Family,

I would like to share with you a letter from Bishop Malesic. It is written to all the faithful of the Diocese of Cleveland:

A message on the upcoming election from Bishop Edward Malesic

Once again, we find ourselves in a very polarized election cycle with candidates that do not reflect the complete breadth of Catholic moral teaching. Yet, it is our solemn duty as citizens of our republic to cast a vote for the candidate who best supports the greatest ideals and moral teachings of our Catholic faith, the faith that we hold and practice as the means of our personal salvation and as a benefit for the common good of the pluralistic society in which we live.

In casting our ballot, whether for those already proposed by a particular party or for those we choose to write in, we must have properly formed consciences. A properly formed conscience comes through prayer, Scripture and studying the teaching of the Church that is promoted and protected by the apostles and their successors, the bishops. This well-formed conscience seeks to understand the truth and allows itself to be guided by the Holy Spirit. A well-formed conscience is devoted to doing God's will more than it is to supporting any particular political party.

As such, I wanted to write this letter to help you in forming your conscience in preparation for the vote that you will soon cast.

Our bishops have said, and I agree with them, that "the threat of abortion remains our preeminent priority because it directly attacks life itself, because it takes place within the sanctuary of the family and because of the number of lives destroyed." (See the new introductory letter found in Forming Consciences for Faithful Citizenship: A Call to Political Responsibility from the Catholic Bishops of the United States, which can be found online at www.usccb.org.)

The consistent teaching of the Church regarding the intrinsic evil of abortion seeks to secure all other rights as well. We are not a "single issue" Church; there are other extremely important rights that we must defend, to be sure; but these additional rights flow from and are rooted in the fundamental right to life itself.

St. Pope John Paul II stated, "Above all, the common outcry, which is justly made on behalf of human rights – for example, the right to health, to home, to work, to family, to culture – is false and illusory if the right to life, the most basic and fundamental right and the condition for all other personal rights, is not defended with maximum determination." (Christifideles laici, No. 38)

Our bishops noted in Forming Consciences for Faithful Citizenship, "A Catholic voter cannot vote for a candidate who favors a policy promoting an intrinsically evil act, such as abortion, euthanasia, assisted suicide, subjecting workers or the poor to subhuman living conditions, redefining marriage in ways that violate its essential meaning, or racist behavior, if the voter's intent is to support that position. . . At the same time, a voter should not use a candidate's opposition to an intrinsic evil to justify indifference or inattentiveness to other important moral issues involving human life and dignity." (#34)

When we cast our vote, we must not remain indifferent to those positions and policies that would negatively impact religious freedoms, erode the traditional family, or make it difficult for the poor to access adequate education, housing and healthcare. We must carefully consider how to fix our broken immigration system, address the worldwide refugee crisis, preserve our natural resources, protect the environment and strive for humane solutions to global conflict and terrorism.

But, to be clear, although there are many causes our Church stands for and is vocal about, the right to life itself must be given our paramount consideration so that people can have the chance to secure all the other benefits that life can afford.

I humbly ask that you take my thoughts into consideration as you prepare to cast your ballot in the near future. Please ask the Holy Spirit to guide your decision, having before all else the desire to secure the common good for our nation and to do God's will in all things. I will pray for you and ask that you pray for me as we make our choice of civil leadership, hopefully with well-formed consciences. And, let us all pray for those who are running for election this cycle. May the Lord inspire them to be the best that they can be for all of us, for our nation and for our world.

May God bless you and those you love. I remain sincerely yours in Christ Jesus

The Most Reverend Edward C. Malesic, JCL, Bishop of the Diocese of Cleveland

May God, through the intercession of the Blessed Virgin Mary, bless our nation and keep it safe. God bless you.

Fr. Dan Redmond
