MESSAGE FROM OUR ADMINISTRATOR

Dear Parish Family,

Fr. Spisak and I are incredibly grateful for our time on retreat towards the end of October and for your prayers for us. Please know that we also prayed for you! A retreat is a time of deep connection and renewal with the Lord, a check-in with the deepest reality of God's order. On our retreats, our days are structured around hours of prayer, Mass, and spiritual direction. This rhythm of retreat offered me a wonderful experience of God's love for me, the gift of my priestly vocation, and a recentring of my life in Christ's embrace of love. I am truly grateful for the Lord's gifts to me and to Fr. Spisak on retreat. As I mentioned a few weeks ago, instead of asking us how our retreats went, why don't you tell us six months from now! The effects of grace will need this time to really begin to blossom.

Anointing of the Sick

This weekend we celebrate Anointing of the Sick at our parish Masses. Those eligible to receive the Sacrament of Anointing of the Sick include those who are seriously ill in body, mind, or spirit; those preparing for surgery; those diagnosed with life-threatening illnesses or awaiting a diagnosis for one of these illnesses; and those who are experiencing the general frailty that comes with age. If you have only a minor illness that does not fit into one of the above categories, please know you are in our prayers as a Church even if you are not a candidate for Anointing of the Sick at this time. If you or your loved one is in need of anointing, please bring yourself and them to one of our Masses. If you are unable to attend Mass this weekend, please reach out to our parish office to schedule a time for Fr. Spisak or me to anoint you or your loved one.

On a related note, please know that Anointing of the Sick is one of the three Sacraments included in the "Last Rites" which includes Confession, Anointing, and Eucharist. If and when you or a loved one is in need of Last Rites, I cannot stress enough how important it is to contact a priest well ahead of time to celebrate these Rites with you and your loved ones. Planning ahead in this way will allow you to schedule a time with the priest to be present with you and your family and friends for these prayers, allow full participation of the sick person to receive these Sacraments, give the sick person time to receive the fullness of grace given through these Sacraments, and also avoid waiting until the last minute where it may be difficult or impossible for a priest to be available in a pinch. Last Rites do not need to be administered again if performed within a few weeks or months of the sick person's life.

The bottom line is that God is so good and merciful to us in our weakness, and we should strive to share in the richness of His grace as soon as we possibly can rather than waiting until the last minute to bring Him in sacramentally.

Synod on Synodality

You may or may not have heard about the Synod happening in our universal Church. A "Synod" is a gathering of people who are open to sharing and listening. Think of our parish "Listening Sessions" that will be happening this month as a type of Synod (shameless plug: if you haven't registered for a Listening Session, you can and should do so at <https://calendly.com/fatherscott/listening-sessions>). People gather at a synod in order to share, listen, and come to a deeper understanding of the topics discussed. More than listening to one another, the Church understands a synod as a generous openness to listening to the Holy Spirit. The relevant topics of this synod will be *communion, participation, and mission*.

Before we can really appreciate the topics that this synod hopes to address, I think it's crucial to note that this particular Synod in our Church is on *Synodality* itself. In his October 17th homily at the opening liturgy for our diocesan synod, Bishop Malesic said, "*Synodality is a word we don't use often, but it is a concept we understand. Synodality expresses the idea that we must walk together. After all, we go together on the journey of faith. We are a pilgrim people – not just individuals walking alone. Synodality, a call to move together toward the goal of salvation, is in the nature of the Church.*"

Did you catch that? Synodality is integral to the meaning of belonging to the Catholic Church! Our universal Church needs a Synod on Synodality at this time precisely to rekindle what it means to be Catholic, to learn once more how to listen generously and generatively to the Holy Spirit as the first disciples once learned! I will provide more information on how we will participate as a parish community in this Synod in the months to come. Until then, I encourage you to welcome the opportunity this Synod will bring in welcoming the Holy Spirit into every nook and cranny of our Church life. The purpose is not to change teaching or tradition, but rather to rediscover how the Holy Spirit is inviting us to take these gifts of Christ's truth and life to a world most in need of Him.

You can learn more about the Synod in our diocese at <https://www.dioceseofcleveland.org/synod>, and pray the synodal prayer below.

I am yours in Christ,
Fr. Scott Goodfellow

*We stand before You, Holy Spirit,
as we gather together in Your name.
With You alone to guide us,
make Yourself at home in our hearts;
Teach us the way we must go
and how we are to pursue it.*

*We are weak and sinful;
do not let us promote disorder.
Do not let ignorance lead us down the
wrong path nor partiality influence
our actions.*

*Let us find in You our unity
so that we may journey together to eternal life and not stray
from the way of truth
and what is right.*

*All this we ask of You,
who are at work in every place and time,
in the communion of the Father and the Son, forever and ever.
Amen.*

FATHER REDMOND MEMORIAL SCHOLARSHIP FUND

With this announcement, we are completing our first week of fundraising for the Father Daniel P. Redmond Memorial Scholarship Fund. We are asking that every parish household consider supporting this effort to create a lasting memorial to our late pastor, who was called to his heavenly home at an early age.

As previously stated, the three primary objectives of this Fund are as follows:

1. To provide a lasting memorial for Father Redmond, who served this parish as pastor for nearly ten years.
2. To recognize the importance of Catholic education, including support at the secondary level, in the growth, development and foundational learning of our children.
3. To recognize graduates of Saint Mary School who have committed to continue their education at a Catholic high school and to assist their parents in financing this learning environment.

Since last week's article, a few questions have arisen, to which responses are now provided:

1. How can a contribution to this fund be made? Contributions may be placed in the weekend collection basket, delivered to the parish office during the work week, or mailed to the parish.
2. How is the contribution to be designated? The contribution should be accompanied by some form of written indication of its purpose, such as a memo entry on the check or a note with a cash payment stating that it is intended for this Fund.
3. It was stated that contributors of \$200 or more would receive the two-volume set of Father Redmond's writing. Does this group of contributors also receive a copy of the booklet containing the milestones of Father Redmond's pastorate? Yes, these contributors will also receive the milestones booklet as well as the writings.
4. Why should a contribution be made at this time? The sooner funds are gathered, the sooner these funds can be invested in a manner so as to produce earnings on the principal amount of the Fund. The hope is that sufficient earnings on the principal can be obtained so that the principal is not depleted. This will result in the ability to continue to award scholarships for years to come.
5. Are there any other current effects to honor Father Redmond's service and well-lived life? No other formal efforts are known at this time.

Every fundraising effort needs to begin with strong initial support in order that more individuals will be induced to participate. Please consider making your contribution early in order that your example might prompt others to join in this project to honor Father Redmond. Our initial goal is to raise \$25,000. With this amount, we expect that one scholarship may be awarded each school year. With multiples of this amount, the funding may allow the awarding of additional annual scholarships. Please take a moment to say a prayer for the soul of Father Redmond as you reflect on whether to donate. May God bless your support and generosity!

SMALL GESTURE, BIG DIFFERENCE

Reflection on Mark 12:38-44

Sometimes, it may seem that what we are doing with our lives is not all that important. We may look at others who appear to be, well, important people – well-dressed, intelligent folk who are making great contributions to the world – and then look at our own lives and be tempted to think of them as rather insignificant.

The widow in this Gospel passage did not give very much, but Jesus praised her. Her small gesture of generosity came, not from her surplus, but from her substance. Small gestures, when done from the core of who we are, can make a decided difference in the larger scheme of things.

In Mark's Gospel, this passage is sandwiched between Jesus giving the Great Commandment (love God/love neighbor) and Jesus speaking about the end of times when each of us will have to give an accounting of our lives. Perhaps the account we should strive for is embodied best in this widow's gesture: making concrete the command of love by giving of all we are, all we have – our very substance, our very selves.

SAINT FRANCES XAVIER CABRINI

Feast Day: November 13 •

*Patron Saint of Hospital
Administrators and Immigrants*

Frances Xavier Cabrini was the first United States citizen to be canonized. Her deep trust in the loving care of her God gave her the strength to be a valiant woman doing the work of Christ.

Refused admission to the religious order which had educated her to be a teacher, she began charitable work at the House of Providence Orphanage in Cadogno, Italy. In September 1877, she made her vows there and took the religious habit.

At the urging of Pope Leo XIII, Frances went west. She traveled with six sisters to New York City to work with the thousands of Italian immigrants living there.

She found disappointment and difficulties with every step. When she arrived in New York, the house intended to be her first orphanage in the United States was not available. The archbishop advised her to return to Italy. But Frances, truly a valiant woman, departed from the archbishop's residence all the more determined to establish that orphanage. And she did.

In 35 years, Frances Xavier Cabrini founded 67 institutions dedicated to caring for the poor, the abandoned, the uneducated and the sick. Seeing great need among Italian immigrants who were losing their faith, she organized schools and adult education classes.

The compassion and dedication of Mother Cabrini is still seen in hundreds of thousands of her fellow citizens who care for the sick in hospitals, nursing homes, and state institutions. We complain of increased medical costs in an affluent society, but the daily news shows us millions who have little or no medical care, and who are calling for new Mother Cabrinis to become citizen-servants of their land.
