MESSAGE FROM OUR PASTOR

Dear Parish Family,

I am excited to share with you the extensive expansion of the EdChoice state scholarship program. All K-12 students now qualify to receive a state-funded EdChoice scholarship that could cover a portion of, or in some cases, the full cost of their Catholic school tuition. Catholic education just became more affordable than ever for families!

With the new EdChoice budget, families with an adjusted gross income under 450% of the federal poverty line (FPL) will receive the maximum scholarship, which amounts to \$6,165.00 per K-8 student (\$8,407.00 for 9-12 students). For example, a family of four making \$135,000.00 or less would receive the full \$6,165.00 EdChoice scholarship for each K-8 child. Families over 450% of the FPL will receive a partial scholarship on a sliding scale. All families are guaranteed at least a \$650.00 EdChoice scholarship.

We are encouraging all our school families to apply for the EdChoice scholarship this year, and we are raising our tuition from \$5,500.00 to \$6,165.00 to maximize scholarship potential. I know it seems counterintuitive, but by making tuition go UP we can actually make the family tuition burden come DOWN due to the multiple levels of scholarship assistance available to us through EdChoice scholarships and the Angel Scholarship Fund.

Working together with EdChoice scholarships, our Angel Scholarship Fund (ASF) and our Adopt-a-Student funds now have a further reach. For example, a family receiving the full EdChoice scholarship will no longer need an ASF scholarship. That ASF scholarship money now becomes available to a family who will only receive a partial EdChoice scholarship. To make Catholic education affordable for all families, we will continue to promote tax credit contributions to ASF which come at no net cost to donors.

Moreover, by raising tuition and maximizing scholarship potential, we can reduce the family out-of-pocket tuition burden by hundreds of thousands of dollars, increase our school revenue by about \$100,000.00 this coming year, lower our parish subsidy, offer more Catholic formation for our teachers and students especially with Theology of the Body lessons, and, most importantly, we will be able to increase our teacher compensation to be competitive with public school teacher salaries.

I am very grateful for the educational opportunities that the State of Ohio is now offering to our families through the expanded EdChoice scholarship. We have shared this good news with our school and PSR families. I hope you will help me share with others the good news of an affordable, irresistibly Catholic, and academically excellent education provided by St. Mary School to give all of our children the opportunity to deepen their faith and knowledge of Christ and His Church!

Oktoberfest Invite

Save the date for our Parish Oktoberfest on Sunday, September 17. We will start the celebration with a Polka Mass at 12:00 p.m. in the main tent in the rear parking lot, and have some delicious German food and beverages from 1:00-7:00 p.m. We have lots of fun activities planned for all ages. Oktoberfest is free to attend, and tickets will be available at the door or by online preorder. Please consider volunteering for a shift. Visit <https://stmarychardon.org/oktoberfest-2023> for volunteer sign-ups and ticket preorders.

I am Yours in Christ,
Father Scott Goodfellow

**SACRED HEART COUNSELING REFLECTION**

Romans 8:28-30 is a powerful biblical passage that offers solace and hope, especially in the realm of mental health. Its author, Saint Paul, teaches us to trust in God's divine plan amidst challenges and hardships. It reassures us that no matter the struggles we face, God is working behind the scenes for our ultimate good and well-being. In the context of mental health struggles, this verse invites us to relinquish our fears and anxieties and to place our trust in God's providence. It reminds us that even during our darkest moments, God has a purpose and a plan for our lives. This realization can provide comfort and alleviate feelings of hopelessness that often accompany mental health issues. As Saint John Paul II once said, "Faith and reason are like two wings on which the human spirit rises to the contemplation of truth." Integrating faith with sound reasoning and seeking professional help, when necessary, can contribute to a holistic approach to mental health. From a mental health perspective, the combination of this biblical verse and the wisdom of Saint John Paul II encourages us to seek hope and healing. It reminds us that our struggles are not in vain and that God's redemptive power can bring about positive transformations in our lives. Embracing this truth enables us to foster resilience, cling to hope, and find the strength to persevere through our mental health journeys. This week, pray for the grace to place trust in God's plan and to remain steadfast in hope, knowing that His love and purpose will ultimately guide us towards healing and restoration.

AFS INTERNATIONAL PROGRAMS

We are currently seeking host families for international students who will be arriving in our community this fall. These students are eager to experience American culture, improve their English language skills, and make lifelong connections with their host families. Chardon High School embraces the opportunity to welcome AFS students, we just need caring homes for the students.

Hosting an exchange student can be a rewarding experience for both the student and the host family. It provides an opportunity to learn about different cultures, develop new perspectives, and build lasting friendships. Host families are expected to provide a safe and welcoming home environment. Singles, empty nesters, young married couples, families with kids can all host.

We are reaching out to your community because we believe that your members may be interested in hosting an exchange student. Your community is likely to be welcoming, and committed to serving others, which are qualities that make a great host family.
