## MESSAGE FROM OUR PASTOR

Dear Parish Family,

We celebrated our parish feast day on September 8 with the Feast of the Birth of Mary, the Mother of God. Last Saturday, we held a Eucharistic Procession through Chardon Square where Fr. Fabian and I carried the monstrance with the Holy Eucharist through our streets with over 60 parishioners following. It was quite a witness to our faith and love for Jesus! A number of parishioners met us at the gazebo and back at church for a time of Adoration after the procession. We need to celebrate the good that God is doing in our community of faith, and faith-filled opportunities like the Eucharistic Procession are wonderful ways of witnessing to the power of Jesus' risen life bringing hope and healing to our community. Thank you to all who participated!

We will continue to celebrate as a parish community this weekend with our Oktoberfest this Sunday. We start with an outdoor Polka Mass at 12:00 p.m. followed by our Oktoberfest festivities from 1:00-7:00 p.m. We have live polka music, fun activities and prizes for people of all ages, delicious food and drinks, and great memories to be made! Thank you to our Oktoberfest planning committee and to our volunteers who make this event successful!

We have been blessed by Judi Parker serving in the role of our Arts & Environment Coordinator for many years. Judi is ready to step down from this role in the Fall, and we are looking for some parishioners who would be willing to step up to assist in coordinating the environment and decorations for our various liturgical seasons, including Thanksgiving, Advent, Christmas, Lent, Easter, and Ordinary Time. Our Arts and Environment Committee is here to assist our new coordinator(s) in their role. Please let me know if this role, or a specific liturgical season, would be a role you would be interested in coordinating for our parish. Please thank Judi when you see her for her commitment to beautifying our church and preparing our environment for worship these many years.

I can't believe I'm saying this but our musicians are already making arrangements and scheduling themselves for our Christmas Masses! As they become aware of the Christmas schedule, I wanted you to hear from me first that we are adjusting our Christmas Mass schedule for this year since Christmas Eve falls on a Sunday. That means that on Sunday morning, we have the Fourth Sunday of Advent Masses, and in the evening, we have our Christmas Eve Masses. My concern is that with the regular Mass schedule, we will not have enough ministers (EMHCs, lectors, servers, ushers, musicians, and choirs) to prepare for each liturgy to the best of our ability. Our Parish Council, staff, and I have assessed the schedule and have agreed that on Sunday, December 24, we will not have the 12:00 p.m. Mass (Fourth Sunday of Advent),

and we will combine the 6:30 p.m. and 10:00 p.m. (Christmas Eve Masses) into an 8:00 p.m. Mass. Our church is large enough to hold the participants to cancel and combine these Masses, and we always have added seating for our Christmas Masses in our church. As we have done the past few years, we will only have the 8:00 a.m. and 10:00 a.m. Masses on Christmas Day. As Advent and Christmas approach, we will communicate the Mass schedules multiple times and in multiple ways so everyone will know what to expect. Thank you for your understanding as we plan ahead.

Included in today's bulletin is a FAQ page on November's ballot Issue 1 on abortion access. We need to understand the issues at hand in order to talk about them faithfully and reasonably. Please carefully read over the FAQ page. Extra copies are available at the Pro-life table in the Gathering Space, and can be accessed on the parish website.

I am Yours in Christ,  
Father Scott Goodfellow

# FREQUENTLY ASKED QUESTIONS ABOUT ISSUE 1

## What is Issue 1?

Issue 1 is a proposed amendment to the Ohio Constitution that would endanger the health and safety of women, threaten parental rights, and allow for abortion through all nine months of pregnancy. Ohioans will vote on November 7, 2023, whether to make this change to the Ohio Constitution.

## What would Issue 1 do?

### Put women at risk:

- **Health and safety standards in Ohio could be eliminated.** Doctors could no longer need to examine a woman or explain the risks of the abortion procedure ahead of time.

### Threaten parental rights:

- **A fifteen-year-old could have an abortion without her parents knowing.** Current Ohio law requires parental notification and consent before a child under 18 can obtain an abortion. These parental right protections could be removed as they directly conflict with the amendment which would allow all individuals, including minors, to make their own reproductive decisions.

### Allow for abortions of fully formed babies:

- **Abortion would be legal through all 9 months of pregnancy.** Physicians at an abortion clinic could use a woman's age or emotional well-being as a reason to perform an abortion in the 3rd trimester.

See [\*"Where Does it Say That?"\*](#) for specific information.

## Would abortion be illegal in Ohio if Issue 1 does not pass?

If Issue 1 does not pass, abortion would still be legal in Ohio until a baby's heartbeat can be detected. This standard was challenged in court and placed on hold, allowing for abortions up to 22 weeks as of September 15, 2023. Current laws that protect the safety of women and parental rights would stay in effect.

## Doesn't Issue 1 simply restore Ohio back to when Roe v. Wade was in effect?

**Issue 1 goes dangerously beyond what was legalized in the Roe v. Wade ruling.** It opens the door to remove important health and safety measures that protect women, threatens parental consent and notification of any minor seeking an abortion, and allows for abortion through all nine months of pregnancy.

## Will miscarriage care or ectopic pregnancy treatment be denied if Issue 1 fails?

The passing or failure of Issue 1 will have no effect on the care a pregnant woman receives when her life is in danger, even if the treatment results in the loss of life of her unborn child. There is a fundamental difference between an elective abortion and the care provided after a miscarriage. In the case of an ectopic pregnancy, the life-affirming option is to surgically remove the mother's fallopian tube in which the embryo has implanted. No law restricts this care in Ohio or any other state in the country.

## How is the Church helping pregnant women in need?

For decades, numerous Catholic social service agencies, in collaboration with faith-based and secular organizations, have assisted pregnant women in need with material resources and personal accompaniment during pregnancy and after their child is born. Project Rachel helps those struggling post-abortion. Every woman should be able to depend upon a community for support and the Catholic Church remains committed to woman in need.

## What is the Church doing to protect life and defeat Issue 1?

Each diocese in Ohio is working together, through the Catholic Conference of Ohio, to help Catholics understand the dangers of Issue 1 to women, parents, and life. We are also part of the Protect Women Ohio coalition to let all voters know Issue 1 is harmful for Ohioans.

## What can I do to help defeat Issue 1?

1. PRAY & Fast
2. EDUCATE Yourself and TELL OTHERS about the dangers of Issue 1
3. Register & VOTE NO on Issue 1

## Where can I learn more?

We will gather again on **Sunday, October 1st** from 1:00 p.m. to 2:30 p.m. at the same location. Please come and pray with us as we ask God to forgive us for being complacent and to intercede in the upcoming election on November 7th.
