

Hello K-8 parents! We are still working to alleviate traffic near the entrances to First Presbyterian Church. Please abide by the following policies in order to accommodate our neighbors at FPC:

1. If you have children at both elementary and middle school campuses, **please pick them up at the middle school campus first.** This will be quicker for you and will also alleviate traffic.
2. We can't have long lines blocking FPC's entrances on 5th St or Davis St. **All overflow traffic must park at one of the designated parking areas** (on map) and wait until the line has shortened. If you are picking up from the elementary school, please wait at **Factory Motor Parts**. If you are picking up at the middle school, please wait at the **BSC Food Pantry**, or the two **parking areas in Downtown Burlington**. Traffic volunteers will be at certain stations to ensure the flow of traffic is efficient for you and your family.

We appreciate your understanding and patience as we work through these logistical issues. It is an honor to serve your children and families, and it is our goal to bring them closer to the heart of Christ. Thank you for entrusting your children to us and God bless you and your families!
