RESPECT LIFE

WINNING THE HEARTS AND MINDS OF CATHOLICS AND OTHERS: A special means of teaching our people about the sacredness of the unborn is to show videos and ultrasound pictures of the brutal abortion act of the tearing apart of a precious unborn child in great suffering in a mother's womb. Building a culture of life demands that we win the hearts and minds of all our fellow Catholics and many others. It also demands that we speak forthrightly and strongly in the public square. In an era of disinformation and falsehood, we must courageously with the Holy Spirit give witness in our preaching and action to the God-given truth about the beauty and sacredness of human life. And as we state in our pro-life plans, we need to take more positive pastoral action to support the precious unborn and offer care at every level for their parents, especially their mothers. It is urgent that we also take more courageous and unified action as bishops to encourage members of congress and our president to pass legislation, that advances the health, safety and flourishing of women, children, and families; and we strongly encourage the passage of bills, that support and fund families, such as the Pregnant Workers Fairness Act and support for child tax credit, paid family leave, pregnancy resource centers, child care, housing and nutrition, maternal and child health, adoption, healthy relations, for environmental protections and inclusion of immigrant families in social programs. These will help to build an authentic life affirming society. In all our pro-life activities, we urge all to join hands and hearts and lock arms together with other Christians and all those who hold the sacredness of the life of the unborn. A special advocate and supporter of our pro-life ministry for the unborn is Dr. Alveda King, niece of the great civil rights leader, Dr. Martin Luther King. Alveda has carried on the crusade for justice – most particularly and passionately for African -American children in their mother's wombs, and she states that the slaughter of innocence is the biggest civil rights issue of our time. With her, we advocate for life and recommit ourselves to making abortion unthinkable. - *This is the fifth part of eight parts of Pro-Life Pastoral Letter for the Unborn a Half Century after Roe v Wade written by Bishop Michael Pfeifer, O.M.I., Bishop Emeritus of the Diocese of San Angelo.*

Message from Deacon Randy Jaeckels

As we celebrate the Solemnity of the Most Holy Body and Blood of Christ this weekend, we are reminded that Jesus Christ is the source and summit of our faith in the celebration of the Eucharist. In the fall of 2022, the United States Congress of Catholic Bishops (USCCB), announced the National Eucharistic Revival as a movement to restore the understanding and devotion to the great mystery of the Eucharist.

At the Last Supper, in celebration of Passover, Jesus took bread, blessed it, and gave it to his disciples saying, "Take and eat; this is my body." Then he took the cup, gave thanks and shared it saying, "this is my blood of the covenant, which will be shed on behalf of many for the forgiveness of sins." The Eucharist is a sacrificial meal, given to us by Jesus.

A recent survey found that more than 50% of all Catholics do not believe in the real presence of Christ in the Eucharist. That's astounding and discerning! There are several proofs in recent history that indicate that Jesus is truly present in the Eucharist. Like the Holy Trinity, celebrated last Sunday, the presence of Jesus in the Eucharist is true, yet a real mystery of our Church. This is our faith!

You will hear much about this Eucharistic Revival within the next year. Please be open to participating in the events that will take place that will draw us closer to the Eucharist. I invite you to read the bulletin insert this week from Bishop Ricken's Pastoral Letter on the importance of Eucharistic Adoration. Please pray about his message and how you can grow deeper in your faith. If you wish to participate in one of our weekly Eucharistic Adoration opportunities, please see the bulletin for details.
