Priority Sibling Enrollment at JPG for 2022-2023

September 19, 2022

Dear JPG Parents,

In anticipation of the next academic school year, beginning on **Monday, October 10, 2022**, priority enrollment for siblings for the 2023-2024 school year will open. This applies to you only if the following are *both* true of your family:

1. You currently have one or more children enrolled and attending JPG for the 2022-2023 academic year.
2. You have a child who is currently NOT attending JPG and would like to enroll them at JPG for the 2023-2024 academic year.

This is NOT Re-Enrollment for current JPG students for the 2023-2024 school year.

Re-Enrollment for current students will happen in January.

We have many wonderful new families hoping to join the JPG community next year. At the same time, if possible, we want to ensure any siblings of current JPG students are given priority to join us next year. **This is your opportunity to have priority to enroll additional students. This priority is not guaranteed to you after October 31, 2022.**

The online application will open the morning of Monday, October 10. Use the next few weeks to gather the documents needed to submit your application. Find the list of required documents below.

To register your child please do the following:

1. Complete the full application online (jpgacademy.org/apply) (PK3-12) (**opening October 10**)
2. Turn in all required documentation:
 - a. Copy of Birth Certificate (PK-12)
 - b. Copy of Social Security Card (PK-12)
 - c. Copy of Baptismal Record (if applicable)
 - d. Immunization Records (PK-12)
 - e. Academic Records (K-12):
 - i. Transcript
 - ii. Most Current Report Card
 - iii. Standardized Test Scores
 - f. School Recommendation for students transferring from another school into 1-12 grade

3. Schedule shadow day (PK-12)
 - a. You will be contacted by Admissions to schedule a shadow day.
 - b. If your child is entering Pre-K and is not potty trained, we will delay the shadow day until later in the semester.
4. Take the entrance exam (K-12, occurs during shadow day)

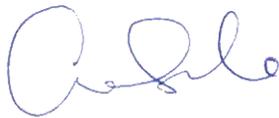

Every student not currently attending JPG must begin the admissions process *prior* to having a space reserved for him or her. To view the criteria and priority by which our students are considered for acceptance, please view the Admissions tab on our website.

It is worth mentioning that each year the Pre-K 3 class fills up with mostly siblings. This is a perfect example of why we prefer that you begin the admissions process by filling out the online application for your young students. Students wishing to enroll into Pre-K 3 must turn 3 years of age by September 30, 2023. Students wishing to enroll into Pre-K 4 must turn 4 years of age by September 30, 2023.

For budgeting purposes, our continued goal is to keep tuition increases as low as possible and to continue to direct fundraising towards financial aid for families in need; however, tuition usually increases by about 2% per year. Tuition for the 2023-2024 school year will be announced in the spring.

If you have any questions concerning the admissions process please feel free to contact me at any time. We feel very blessed to have the opportunity to serve you and your family now and for many years to come.

In Christ,
