From the Pastor

Dear friends in Christ, I will be in Israel by the time this bulletin gets into your hands. I am leading a small group of pilgrims to walk in the steps of Christ in the Holy Land. This is a trip that was scheduled for 2012 that I had to postpone because I was re-assigned to St. Francis, our parish. I have never been to the Holy Land before so this is a trip that is very special and which I hope to be spiritually fruitful for me. I ask for your prayers for our safety and for a meaningful and blessed pilgrimage. I will be saying my daily Masses for you. *Oremus pro invicem.*

Blessings, Fr. Israel

Respect Life

"When Catholics oppose abortion, they do so *not* because of some special Catholic religious doctrine or simply because the church says so. Rather, the church teaches abortion is wrong *because it already is*. Abortion violates the universal natural law by abusing the inherent human rights of the unborn child. The injustice of genocide, oppressing the poor, the killing unborn children is not a matter of religious doctrine. It's a matter of natural law." – Archbishop Charles J. Chaput, *Render Unto Caesar*

The mission of the Office of Life, Justice and Peace is "**To inspire and form Catholic disciples to build God's kingdom of justice and faithfully witness His love. Empowered by the many gifts of the Holy Spirit, we ground ourselves in Catholic social teaching.**"

When visiting this website, parishioners can learn about where the Church stands on timely social issues; and learn about the Seven Themes of Catholic Social Teachings and receive a comprehensive list of online resources to help Catholics learn ways to incorporate charity and social justice activities into their parish and family lives.

Faith Formation

Faith Formation Registration

It is time to register for all Faith Formation (RE) programs, preschool through high school, including the sacraments of First Communion, First Reconciliation and Confirmation.

Forms are available on the parish website. Go to the home page and scroll to the very bottom of the page to find the link beneath "I want to register my child in Faith Formation." Only one form is needed per family.

Information about Faith Formation programs can be found on the parish website beneath the Faith Formation Tab. Here you will find information by age group. You will also find the registration form beneath each age group.

Sacrament of First Holy Communion

First Holy Communion preparation is a two year program. The first year is for children first grade and older. Within this first year children begin learning in community and are introduced to the basics of our Catholic Faith. (The first year may have been completed at another parish. You will need to provide the parish name and contact information.) The second year is for children second grade and older. Within this year, children will focus on the Church's teachings specifically pertaining to the Sacrament of Reconciliation and First Holy Communion.

Children must be baptized prior to entering the second year of the program. If your child has not been baptized, or was baptized into another Christian faith, please contact Violet Wanner in the parish office.

Registration takes place at the end of August and beginning of September. Classes begin on Sunday mornings mid-September. Please use the Faith Formation registration form as noted under Faith Formation registration. Note there is an additional charge of \$25 for the second year of the program.

Sacrament of Confirmation

This sacrament is for High School Youth ninth grade and older. The classes begin on Sunday, October 12, 1:00 pm – 2:45 pm. Classes will meet approximately twice per month with two required retreats, fall and spring.

Registration takes place at the end of August and beginning of September. Please use the Faith Formation registration form as noted under Faith Formation Registration. Note the fee includes two retreats and additional materials that will be utilized throughout the year. The fee can be paid all at once or in payments throughout the year.

All catechists, preschool through high school (including Children's Liturgy of the Word), are asked to attend a short training session on Sunday, September 14 following the 10:30 am Mass. We will have a light lunch together followed by faith enrichment and classroom training.

Catholic Corner

What is conscience? Conscience is the mind's practical judgment as to whether an action, word, thought, desire or omission is good and may be consented to, or evil and must be avoided. Conscience is the most secret core and sanctuary of a man, here he is alone with God.

Beloved, if our hearts do not condemn us, we have confidence before God (1Jn. 3:21) (St. Paul Family Catechism, 556)

Next Week: Must we follow our conscience?

St. Francis School

Accredited through June 2020

We'd like to welcome Melinda Beyers to St. Francis School and share with you her thoughts and joy about joining the St. Francis community.

Thanks to God's perfect timing, I am once again blessed to devote my time and energy to teaching, which is my first passion, and to music, which is my second passion. Imagine the bliss of teaching music then! I am excited and honored to enter the St. Francis School family, being entrusted with the education and nurture of your children. You know full well that your children are as much spirit and soul as they are mind and body. In music class, I am aware that I am able to touch your children as strongly through their spirits as through their minds, and I take this responsibility very seriously. In fact, I take this responsibility only with God's call, guidance and direction.

My goal for your children is to equip them with another language with which to understand themselves, each other and the world around them. Throughout the year we will certainly learn about moving with the beat, matching pitches, creating rhythms, changing dynamics, singing in harmony, recognizing different instruments, reading music and playing instruments. But more importantly, these young people will learn how to recognize and open those places within themselves that only respond to and grow through music. They will see that others in their class respond in their unique ways and they will begin to understand the powerful language that music is for all cultures of the world.

The theme song for September is "Getting to Know You" from the musical "The King and I." All of the songs we are singing in music class this month reflect the theme of becoming friends. In addition, we are singing the songs selected for Wednesday morning Mass. It is important that the students be familiar with the songs used in Mass so they are better able to participate in the liturgy and, through the singing, be more fully engaged in worship.

Just as music is multifaceted, the music education of St. Francis School will be multifaceted. I am excited to have begun this exploration and growth with your children and look forward to a grand year of getting to know each other and getting to know this fabulous, creative, mystery called music better. I have a fridge magnet that says, "Music is the voice of the soul." May our souls exult together!
