From the desk of Father James

Hosanna in the Highest! Hosanna to the Son of David!

This weekend we begin our final days of our Lenten journey and we enter with Jesus into Jerusalem. He has come a long way these past several weeks and now we joyfully enter with Him into Jerusalem for the great feasts that are coming up. The people are excited. They greet Him as though He were truly a king and they recognize something great in Him. He is going to make a difference and He will do something great! But, just as quickly as He enters into the temple, the triumphant reception that He receives fades into the background and He is faced with what is going to come. He will be betrayed, arrested, put on trial and lead to a shameful death.

How can this happen? How can the people turn on Him so quickly? The same reason why the world continues to turn so quickly on Jesus and what He stands for today. The world does not want to hear or receive the good news that Jesus has been sharing with the crowds and with us. The light that Jesus brings to us, shows us that there is a better way, a new and different way to order and live our lives; a way in which we can live in the joy and fullness that our God wants us to live our lives.

Let us let this light shine through us, so that the world can see that Jesus is the way, the truth, and the life.

In the Spirit of St. Francis...

- ◆ To Elaine Gregoire for helping to organize books in the parish office.
- ◆ To Peter, Kate, and Quentin Ross for their help with the large bulletin boards in the narthex of the church.
- ◆ To the kindergarteners for helping to clean the church after the School Mass on Wednesdays.

In the Spirit of St. Francis...THANK YOU!

St. Francis Parish Family,

I write to you today with two emotions; excitement and sadness. I have served in ministry here at St. Francis for 15 years. This is one of the biggest blessings in my life. I have now taken a position with Providence Community Connections – Faith In Action and will begin the new job on April 4. I am very excited to serve in this new ministry, helping the elderly within Sherwood and King City continue to live in their homes as they age. I am also sad to leave ministry here at St. Francis, especially my beloved middle school youth.

I will continue to be a parishioner of this very special parish and hope to continue interacting with many of you.

Thank you for the blessings you have given to me.

-Lisa McGuigan

Middle School

We have finished our Series on *The Creed*. The youth (and myself) learned many things about our beautiful Catholic Faith as we studied the meaning behind the words and phrases used in *The Creed*. I'm proud of all the youths' participation and conversation during this series. Good job!

- * March 23 – NO CLASS (Spring Break)
(Please attend Holy Week Services – see the bulletin)
- * April 6 or April 13 – Planning on taking youth to the movies “God’s Not Dead – 2” watch for details

5th Corporal Work of Mercy : "Visit the Sick"
by Philip Kosloski for the National Catholic Register

While preparing for the next corporal work of mercy (visiting the sick), I immediately thought of St. John Paul II, who throughout his life emphasized the habit of "visiting the sick."

As the Archbishop of Kraków, Karol Wojtyła often visited the sick and aging throughout his diocese. He saw this as to those who were suffering as a central part of his ministry and believed that their prayers and sacrifices gave him vitality. After celebrating Mass at the chapel of the Daughters of Charity of St. Vincent de Paul in Kraków, Archbishop Wojtyła visited those in the infirmary where he said to them: "Although I am young and strong, although I fly in airplanes, climb mountains, ski, I still turn to the weakest, so that by the riches of their suffering they may bring down the strength and power of the Holy Spirit and the blessing of God upon my work in the Archdiocese" (Making Of The Pope Of The Millennium)

After being elected pope, JP II's first trip outside the Vatican was to visit one of his good friends at the Gemelli. During his short visit JP II spoke to the patients & asked for their prayers. "I said to the patients that I counted greatly on them: for their prayers and especially for the offering of their sufferings, which could provide me with a special strength, a strength that was and is necessary to me in order to perform in a less worthy manner my serious duties in the bosom of the church of Christ" (Saint John Paul the Great: His Five Loves)

JP II frequented Gemelli throughout his pontificate both as a visitor and as a patient. He even jokingly called the hospital his third papal residence, "Vatican III."

We all know what it feels like to be sick and at home or in a hospital. It is isolating and often very painful. The presence of visitors can often lift-up the heart of a patient and remind them that they are not alone. The challenge is to get outside of our comfort zone and do something for others, the weakest, and most vulnerable of society. Let's ask for Saint John Paul II's intercession so that we can have the courage to visit the sick and imitate his example of Christ-like love.

Jubilee Year of Mercy

What is a Jubilee Year? A Jubilee Year is when the Catholic Church across the world takes a year to focus on forgiveness and healing in a special way. Catholics are encouraged to join together in prayer, go to confession, and share their commitment to Catholicism with others. The purpose of a Jubilee Year is to help people grow spiritually, strengthen their faith, encourage works of service, and to promote unity within the Catholic Church and society in general.

"I was in prison and you visited me" Matthew 25:36

To celebrate the Jubilee Year of Mercy St. Francis School is focusing on the Spiritual and Corporal Works of Mercy. During Lent students in second through eighth grade celebrated the Spiritual Works of Mercy Forgiving Injuries through the sacrament of reconciliation. As a school we have chosen to work with Kairos Torch Ministry in California to practice the Corporal Works of Mercy, Visit the Prisoners. Students in kindergarten through fourth grade are creating a prayer chain to surround the youth with prayers during the Torch Weekend retreat while students in fifth through eighth grade are writing words of encouragements and prayers for the men.

The word *Kairos* means God's Special Time. The Torch is an introductory weekend program for youth ages 24 and younger who live in juvenile detention or correctional facilities. The weekend is a combined effort of an ecumenical, Torch Team to introduce young men and women to Christian concepts as a means of making better choices for their lives. To learn more about Kairos Torch in California please visit www.mykairos.org.

At what age does the obligation of taking part in Sunday Mass begin? The obligation of taking part in Sunday Mass begins when one reaches the use of reason – generally around the seventh year of age. St. Paul Family Catechism, 635

Next Week: Is it a grave obligation to participate at Mass on Sundays?

Respect Life

Heavenly Father, eternal, changeless, and faithful Lord, we recognize that we are in need of forgiveness as a nation, for turning our hearts away from you. Hear our prayer of repentance Lord and cleanse us from all unrighteousness. We praise you for your tender mercies and your compassion that never fails.

Lord, it is only by Your grace that we can live lives that are just, and merciful. May Your Holy Spirit enable us to walk humbly in Your presence and may You be pleased to restore America so that a generation not yet born may praise you. In the name of Christ Jesus, who has done great things for us, Amen. ~Prayer from Carmen Pate Alliance Ministries

Sunday March 20, 2016 Where All Are Welcomed and Loved With Mercy - Day 371 Breastfeeding is an instinctual and natural act, but it is also an art that is learned day by day. The reality is that almost all women can breastfeed, have enough milk for their babies and learn how to overcome problems both large and small. It is almost always simply a matter of practical knowledge and not a question of good luck.
