Catholic Communication Campaign

CONNECT WITH CHRIST

Our special collection today supports the Catholic Communication Campaign. This campaign connects people with Christ through the internet, television, radio, and print media. Fully 50% of the money we collect stays right here in the Archdiocese of Portland in Oregon to support local communications projects. The other 50% supports national communication efforts as well as projects in developing countries. This collection connects people around the world to the Gospel message. Please be generous today!

Below is the front and back of the prayer card for the Catholic Communication Campaign

Catholic
Communication
Campaign

CONNECT WITH CHRIST

“From faith in God who is
Trinity, it follows that in order
to be myself I need others. I am
truly human, truly personal,
only if I relate to others.”

—Pope Francis,
World Communications Day, 2019

*Lord, make us instruments of
your peace.*

Help us to recognize the evil latent
in a communication that does not
build communion.

Help us to remove the venom from
our judgments.

Help us to speak about others as our
brothers and sisters.

You are faithful and trustworthy;
may our words be seeds of
goodness for the world:

where there is shouting, let us practice listening;
where there is confusion, let us inspire harmony;
where there is ambiguity, let us bring clarity;
where there is exclusion, let us offer solidarity;
where there is sensationalism, let us
use sobriety;
where there is superficiality, let us raise
real questions;
where there is prejudice, let us awaken trust;
where there is hostility, let us bring respect;
where there is falsehood, let us bring truth.

Amen.

FEATURED BOOK

Introduction to the Devout Life

By St. Francis de Sales

Francis de Sales's *Introduction to the Devout Life* has remained a uniquely accessible and relevant treasure of devotion for nearly four hundred years. As Bishop of Geneva in the first quarter of the seventeenth century, Francis de Sales saw to the spiritual needs of everyone from the poorest peasants to court ladies. The desire to be closer to God that he found in people from all levels of society led him to compile these instructions on how to live in Christ. Francis's compassionate *Introduction* leads the reader through practical ways of attaining a devout life without renouncing the world and offers prayers and meditations to strengthen devotion in the face of temptation and hardship.

Catholic Corner

What does "Give us this day our daily bread" mean?

"Give us this day our daily bread" means that we ask God to give us each day all the graces we need for our spiritual and material well-being. "Therefore do not be anxious, saying 'What shall we drink?' or 'What shall we wear?'" For the Gentiles seek all these things; and your heavenly Father knows that you need them all. But seek first his kingdom and his righteousness, and all these things shall be yours as well" (Mt. 6:31-33)

Next week: What does "forgive us our trespasses as we forgive those who trespass against us" mean?

Social Action

Food Pantry Hours:

Wednesday 9 AM - 11 AM

Wednesday 5 PM - 7 PM

Thursday 9 AM - 11 AM

1/19 DINER HOST: ST. PAUL

Bobbi Fallon, Social Action Coordinator
bfallon@sfsherwood.org, 503-625-7067

Respect Life

A great prayer for life is urgently needed, a prayer which will rise up throughout the world. Through special initiatives and in daily prayer, may an impassioned plea rise to God, the Creator and lover of life, from every Christian community, from every group and association, from every family and from the heart of every believer.

St. John Paul II, *Evangelium vitae*, 100

Math Program Development at St. Francis Catholic School

St. Francis Catholic School is continuing their efforts to update our mathematics curriculum throughout the school this year. We are piloting new mathematical programs and materials, which are proving to be a great addition to our curriculum. St. Francis Catholic School has introduced two excellent online mathematical programs to all grades levels. The first adaptive program is *ALEKS*, which is used in the middle school. This program keeps track and pinpoints areas of learning for individual students and the class, helping guide work for students in mathematics that is new and relevant to further developing their mathematical abilities for high school and college. Additionally, *ALEKS* is helping our students adapt to online testing in math. This is a skill that is new to our students, however it is valuable in a world where math testing is done online more and more through high school and college.

In grades K-5, *Moby Max*, a digital program is used. *Moby Max* is designed to extend mathematical skills from grades first through eighth. St. Francis Catholic School has used this program for multiple years at the middle school level. Commencing this school year, St. Francis Catholic School is using this program at all grade levels. This program will continue to increase learning of fact fluency, concept knowledge, and differentiated learning at all grade levels.

Moreover, in grades K-5 teachers are also piloting new mathematical programs. St. Francis Catholic School is looking for a strong alignment to 21st Century learning and a comprehensive standards-based curriculum. The new mathematics adoption will 'spiral concepts' in a continuous manner throughout the grades. Additionally, in middle school, the piloting of new materials in Algebra I class and eighth grade mathematics class are being reviewed, so all students will learn in a continuous and comprehensive manner.

It is an exciting year for mathematics at St. Francis Catholic School this year! We teachers all appreciate Ms. Gonzalez's guidance and enthusiasm for improvements in our mathematics programs now and in the coming years.

Your St. Francis Math Teachers

$$\begin{array}{l}
 2 > -3 \\
 0.999... = 1 \\
 \pi \approx 3.14 \\
 \sqrt{2}^{1+2 \cdot 3} \\
 5(2+2) \\
 101_2 = 5_{10}
 \end{array}$$
