Most Holy Trinity June 12, 2022

Life can leave us feeling very distracted and detached. Perhaps this is why many people seek things that make them "feel good," wrongly believing those things actually provide a sense of meaning and purpose. In truth, they are simply more distractions. When we discover real silence, we can realize that the stirrings and impulses in our hearts desiring connection, meaning, and purpose are really God desperately trying to pull us toward His Divine Heart. Once we submit to God's pull, we are led to the beauty of God's presence. This holy presence carries us to the heights of mountains, the vastness of ocean depths, the beginning of things and their end, and the majesty of universal wonder. We meet the Father. Then, gently carried to the tenderness of compassion, love, mercy, and forgiveness we touch the innocence and vulnerability of life. We see the poor and those who are broken. We meet the Son. Finally, we are directed toward the seasons that change, the ebb and flow of life, the inspirations that surprise, and the wonder, awe, and joy of life. We embrace the Holy Spirit.

Are you interested in becoming Catholic? St Jude's Catholic Church will be having an inquiring session on Wednesday, June 29, at 6:30pm.

Questions of the Week

First Reading:

In the Jewish wisdom traditions of Proverbs, we hear how "wisdom" itself is of divine origin from the very beginning of creation and was God's "delight." What do you find intriguing about this divine relationship?

Second Reading:

Paul speaks of believers having the "peace of God" through Jesus Christ and the "love of God" poured into our hearts through the Holy Spirit. Where do you experience the peace and love of God in your life?

Gospel:

Jesus speaks of the Spirit giving to believers everything the Father has given to the Son. How should one react to this abundance of divine blessings?
