GOD'S PLAN

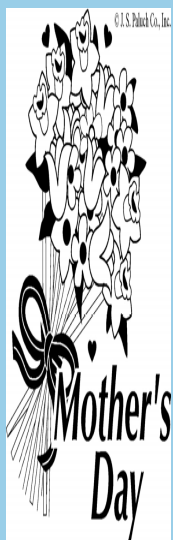

Saint Peter speaks to us twice today. In the first reading, we hear an excerpt from his sermon on Pentecost; in the second, part of his first letter. Once a frightened, uneducated fisherman who often said just the wrong thing, now Peter is speaking what he knows to be true. Everything Jesus had said now makes sense. His death and rising were all part of God's plan, and our faith and hope can be centered on God.

Today's Gospel tells the story of Jesus' walk to Emmaus with two of the disciples. Frightened, sad, and confused, the two of them don't recognize Jesus, who tells them what we heard Peter say above: All this had to happen as part of God's plan. In the end, these disciples recognize Jesus as we are to recognize him—in the breaking of the bread. Copyright © J. S. Paluch Co.

the disciples who were with him recognized him!

Recognizing Shapes

1. Make your favorite sandwich.
2. Decide how it should be cut to make two triangles.
3. Now move the triangles around so they create one big triangle instead of one big square cut in two.
4. Now figure out how to cut your sandwich so you end up with four small triangles.
5. Use the triangles to make different shapes.
 - Can you make a large triangle?
 - Can you make a large square?
 - Can you make 2 medium triangles?
 - Can you make 2 medium squares?
 - Can you make 1 medium triangle and 1 medium square?
 - What else can you create?
6. Enjoy eating your creations!

HELP OUT OUR ADVERTISERS

Our Sunday bulletin is an important way for us to communicate with you, especially during these days of the Coronavirus pandemic. It might be the only way that we can reach some of you. Every bulletin that you receive is paid for through the generosity of the businesses that you see advertised on the back cover. Most of these advertisers are members of our local community, and many belong to our parish. We urge you to think of them when you decide to have a meal or other item delivered to your door. Tell the business owners that you appreciate their support of our parish through their advertisements in the bulletin. This is one small way that we can work within our own community to weather the challenges that we face. Together we can help each other make it through.
