

Dear Families,

Reading is a wonderful way to wrap up a busy summer day and wind down. Attached is the Reading List and Reading Log sheet. Please review the titles and make a goal to read about 20 minutes a day. Also attached is a Book Report sheet to be completed on one of the books from the list. The Reading Log and the Book Report should be turned in within the 1st week of school.

These books are great suggestions with a mix of different reading levels. Please feel free to supplement with more challenging or less challenging literature to help your child feel successful in their summer reading and to have fun with it!

I hope you all have a wonderful and safe summer!
