Life is Better Together

Life Interrupted - Week 2

January 14, 2024 – 2nd Sunday in Ordinary Time

1. What life events stand out in your mind so much that you remember where you were and what you were doing when they happened?
2. Read this week's Gospel ([Jn 1:35-42](#)), where Andrew and another disciple meet Jesus.
 - a. What does the detail about it being 4 PM in the afternoon tell us about how important that day was?
 - b. John the Baptist identifies Jesus as the Lamb of God, but then doesn't seem to follow him. Why do you suppose John the Baptist doesn't become one of Jesus's followers?
 - c. Why was Andrew so excited that he immediately goes to tell his brother Peter?
3. In the first reading, Samuel doesn't recognize that the voice he hears is God's voice, but Eli does.
 - a. What helped Eli figure out it was God speaking to Samuel?
 - b. What does Eli teach us about how to be ready for God?
4. Who are the "Elis" in your life, who have helped you notice God's presence in your own life or helped clarify what God might be asking you to do?
5. Have you ever been Eli for someone else?
6. How can you make yourself ready for God's interruptions in your life? How do you know if those interruptions are God or just coincidence?
