## St. Simon the Apostle Parish after School Sacrament Preparation

Dear Friends,

A warm welcome to St. Simon the apostle Parish Community!

We are a vibrant, welcoming and diverse Roman Catholic Community. We gather around in the name of Jesus Christ with whom and through whom we worship and celebrate the Sacraments. We are so glad that you and your family decided to be part of this parish. All staff, volunteers and visitors are following strict protocols to ensure your child is in the safest environment.

### **The Goals of the Program**

St Simon the apostle parish after school religious education (ASRE) Program aims to assist parents to be the first religious educators in faith of their children and encourages every parent to develop their faith together with their children.

All people are created "in the image and likeness of God", as a result of this, we are restless and learning to fulfil a natural yearning and desire to rest spiritually in our God. As baptised Catholics, we are initiated into the Christian community, which carries with it a continuing need to grow in understanding of and participation in the faith which will give us spiritual life. Hence every young Christian, by reason of humanity and baptism, has a claim to be religiously educated.

### **Duty of Care**

The safety of your child is very important to us.

These are our protocols to keep your child safe:

1. Each child will have a copy of sacramental diary.
2. Classes commence on a Tuesday at 4pm and finish at 5pm during school terms only.
3. Supervision will commence 10 minutes before and finish 10 minutes after class.  
All children must be dropped off and picked up promptly within these times.
4. It is the responsibility of the parents to drop off and pick up promptly within these times and to supervise your child before and after these times.
5. The parents are to drop off and pick up your child from the parish community centre where supervision will be maintained.
6. Three volunteers will supervise the children during the duty of care.
7. Your child is to be signed in and out by a parent or guardian every Tuesday when attending classes. However, this is not required when you and your child are attending reflection days, workshops and Masses together.
8. Light refreshments will be provided before the classes started.
9. Please let us know if your child has any allergies or medical conditions.
10. With the current circumstances, please ensure sanitization is done before and after the class.
