LENT APPROACHES

Lenten Reflection Booklets are available in the churches this weekend. Entitled "From Suffering to Salvation" these daily reflections are meant to help us grow in faith, hope and charity throughout our Lenten journey.

Ash Wednesday is celebrated on February 26, 2020. Masses will be celebrated at 8:30 AM and 5:30 PM at Christ the King and at 12:05 PM at St. Anthony.

Stations of the Cross will be celebrated on the Fridays of Lent at 6:30 PM at St. Anthony Church.

My dear family in Christ:

If we want to be really challenged in our life of faith, just spend a few minutes readings chapters 5 through 7 in St. Matthew's Gospel. These chapters encompass the great Sermon on the Mount, which provide us with the Beatitudes and a host of other profound calls to holiness. A question to ask ourselves as we read these chapters is, "Is this how I am living my daily life?" If we take an honest and penetrating look into our hearts, I imagine that many of us would have to say no.

Just think about this week's Gospel. How many of us are living without any anger towards another person or group? How many of us regularly turn the other cheek when we have been offended? How many of us maintain every moment of every day the purity of heart and mind that Jesus demands of His followers? How many of us really are perfect as our Heavenly Father is perfect?

There is a temptation to convince ourselves that Our Lord was just exaggerating when He was teaching in this way. We say that He didn't really mean for us to strive for the perfection He teaches. However, our failure to achieve the ideal that Jesus proclaims does not mean the ideal is wrong; it means that we are human and bound to fail when we don't respond fully to the grace the Lord wishes to pour into our hearts. It's why we return time and time again to the Sacrament of Reconciliation and the Holy Eucharist: we need God to make us perfect, because we can't do it on our own.

As we move towards our celebration of Lent, I'm suggesting we all read and re-read the Sermon on the Mount and pray for the grace we need to make these challenging words more our own. That the incredible call to perfection and holiness contained in three chapters become a daily guide for how we live our faith lives. It will not be easy, but our Lord never promises that discipleship will be an easy road to walk.

In Christ,
Msgr. John J. McDermott, VG

GUIDELINES FOR LENT

The time of Lent is to be observed by Catholics as a special season of prayer, penance, and works of charity.

*Ash Wednesday and Good Friday, in particular, are the most important penitential days of the liturgical year. They are days of both fast and abstinence. All Fridays in Lent are days of abstinence.

*The rule of fasting states that only one full meal a day can be taken. Two small meals, "sufficient to maintain strength", are allowed, but together they should not equal another full meal. Eating between meals breaks the fast, but drinking liquids does not. The rule of fasting obliges all Catholics from 18 to 59.

*Abstinence refers to the eating of meat. The common estimation of the community is used to determine what falls under the category of meat. The rule of abstinence binds all Catholics 14 years or older.

*The substantial observance of the laws of fast and abstinence is a serious obligation.

*Self-imposed fasting on the other weekdays of Lent is recommended. Abstinence on all Fridays of the year is also highly recommended.

*Parents and teachers should see to it that, even those who are not bound by the laws of fast and abstinence because of age, are brought up in an atmosphere that is conducive to a sense of penance.

NEWS FROM
February 15–21, 2020
FOR THE DIOCESE OF BURLINGTON

Ash Wednesday Collection

for Vermont Catholic Charities

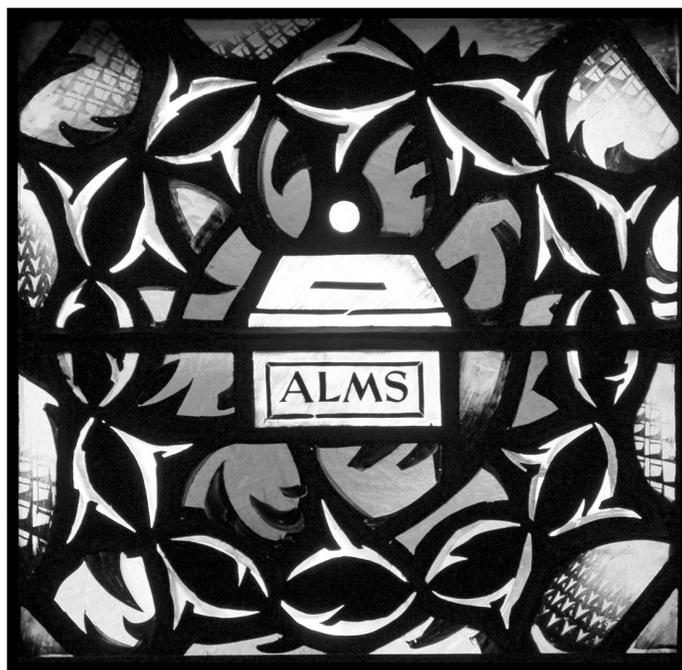

On February 26, our Lenten journey begins with Ash Wednesday. Ash Wednesday marks the first day of the 40 days of Lent dedicated to reflection, fasting, almsgiving, and good works in preparation for Easter. One concrete way we can prepare and share our gifts with others is to participate in the collection on Ash Wednesday to support the outreach work of Vermont Catholic Charities, including the Bishop de Goësbriand Grants for Human Advancement. These grants are awarded to Vermont non-profit organizations that are making a difference in the daily lives of people living in their communities.

Vermont Catholic Charities has been awarding Bishop de Goësbriand grants since 2011. To date, over 230 grants have been given out, totaling more than \$480,000. What a wonderful expression of our faith — to serve others. Organizations receiving funding have included homeless shelters, right to life programs, and food programs for children and families.

Here are a few examples of how these grants impact the lives of Vermonters.

✦ The Upper Valley Haven in White River Junction received a grant to support the Seasonal Shelter, which helped 87 people stay out of the cold. One client stated, “When I arrived at the Haven I was broken. I felt frozen, totally overwhelmed by all my problems, but the Service Coordinator told me I could do anything.” Julio noticed a sign seeking help at the Mobil station near the Haven. Julio inquired, filled out an application, went on interview, and landed the job. Five weeks after starting work, Julio moved into an apartment with a roommate.

- ✦ Good Beginnings of Central Vermont received a grant to support its infant carriers and emergency assistance programs. The grant helped a total of 26 families, or 65 individuals (35 parents and 30 children).
- ✦ The Addison County Community Action Group (HOPE) received a grant to support its food shelf and financial assistance program.

“Lent is a favorable season for opening the doors to all those in need and recognizing in them the face of Christ.”

— Pope Francis

The agency commented, “Your support has a tremendous impact on our ability to respond to the needs of some of the most vulnerable in our county. Thank you for your continued commitment and support to our community.”

- ✦ The Catholic Center at UVM received a grant to buy food to prepare and serve community meals at the Salvation Army. One student commented, “To be part of the community of Burlington or any place we may live in the future, there cannot be an ignorance of the fact that many go without food, warmth, and shelter. It has been a joy and privilege to serve at the Salvation Army in Burlington.”

As we begin this Lenten journey together, we ask you

to prayerfully consider participating in the Ash Wednesday collection - any gift, no matter the size, makes a difference. As a Catholic community, let's continue to do Christ's work here in Vermont and show Christ's love to our neighbors in their times of need. By sharing our gifts with others, we prepare ourselves to celebrate the good news that Jesus Christ has risen.

— Mary Beth Pinard, executive director of Vermont Catholic Charities Inc.
