Pastor's Notes

My dear family in Christ,

In the second reading at Mass this weekend St. Paul reminds the Church at Rome, “do not conform yourselves to this age.” So it begs the question, what was wrong with the “age” in which the Christians were living? A study of history offers some answers to this question. While the Roman Empire had accomplished a great deal in bringing order to an disordered world; while it had been able to unite a vast area of land under a single law; while it had opened up commerce among disparate cultures; while it had done these things and more; the empire at the time Paul was writing (c. 60 A.D.) had also become more and more morally corrupt. Piety and duty were being replaced by idolatry and selfishness. The empire was beginning to crumble from the inside. St. Paul understood that the only way for Christians to survive in such an era was to allow the Gospel to transform minds and hearts so as to avoid falling into the same problems of the empire.

Well, we know the Word of God is living and effective (Hebrews 4:12), so St. Paul’s words to the Romans are also being spoken to us. The same warning he gave the Roman Church in 60 AD, he is giving to us in 2020: “do not be conformed to this age but be transformed by the renewal of your mind” and heart. Our present world has many good things, but a study of the spiritual condition of the world makes it clear that we are living at a time when selfishness and idolatry are gaining traction in every corner of the world. People may not be worshipping false gods, but things like power, fame, and money are the new gods in the hearts of many. And with the instantaneous access to news, posts, tweets, etc., we run the risk of drowning in information that wants to drown out the still small voice of God. But how do we experience the transformation St. Paul calls us to?

Prayer is the answer—public prayer in the liturgies of the Church, especially the Mass, and private devotional prayer when we are with our families at home. It is only by making space and time for God that we will hear His voice and be able to resist the pull of this age to think only of ourselves and pursue the new, false gods. So, for those who have not yet ventured forth to attend Mass in person, I encourage you to make a leap of faith and come back. I know that this may be a difficult step for some, because it has become so easy to stay at home, but I can’t encourage everyone enough to come back. I would love to be able to tell people we have hit our capacity limits, but it has not yet happened. And for all of us, we need to pray in our homes, with our families and friends, that the living Word of God, Jesus Christ Himself, the Word made flesh, transform our minds to be more faithful witnesses to faith, hope, and charity in a world in desperate need of all three virtues.

God bless and stay well,
Msgr. John J. McDermott, VG

PUBLIC MASS PROTOCOLS

There are some essential requirements as we ease back into gathering as a community of faith:

- *The obligation to attend Sunday Mass is still suspended until further notice.* No one is obligated to attend Mass for now.
- If someone is not feeling well, out of love of neighbor, they should remain at home and watch Mass on TV.
- Those in higher risk categories, over 65, pre-existing health issues, are encouraged to stay home.
- Churches can only accommodate 25% of their capacities. Meaning for both of our churches, no more than 75 people in attendance for any one Mass.
- Social distancing must be maintained in Churches. A maximum of 4-5 people per pew. Family members may sit together, others must maintain 6 foot spacing, including in the communion line.
- Every other pew will be taped off.
- Hand sanitizer will be used. Please bring your own to church.
- Masks are to be worn in churches as an act of charity toward others.
- Holy Communion will be distributed only in the hand.
- Collection baskets will not be passed, but will be placed near the backs of the churches to receive offerings.
- We ask that people bring their own wipes to wipe down pews after each Mass.

Additional instructions will be given at Masses.

CHRIST OUR HOPE—ASK THE BISHOP

Perhaps You Were Born for Such a Time as This. - Esther 4:14

The situation and circumstances we face today, in the culture and the Church, call for us to move from maintenance to mission. At every Catholic parish in Vermont, we are called to respond in faith—in new ways, with a new vigor. Many of you have received the Christ Our Hope: Building a Vibrant Church campaign packets in the mail that included a case statement for the campaign with an insert that describes how our parish plans to use the 60% of funds raised. Please prayerfully consider a sacrificial gift that will renew our parishes and move our church from maintenance to mission.

THE BISHOP'S ANNUAL APPEAL

We are so grateful for the gifts we have received during these challenging times. Each gift is used to strengthen and serve our parishes, schools, and Catholics throughout Vermont, supporting a variety of ministries and services, including Catholic faith formation, education, vocations, emergency aid, and so much more.

It was decided that our goal will remain the same as last year, so we hope you will prayerfully consider giving what you have in the past. As of August 18, 2020, we have raised \$62,094 toward our parish goal—we've *breached the halfway point!* Please visit bishopsappealvt.org for more information about Your Gift at Work. Every gift makes a difference no matter the size.

DIOCESE OF BURLINGTON

The Christ Our Hope: Building a Vibrant Church campaign has officially kicked-off. This is a historic, first-ever statewide campaign for our Catholic community during extraordinary times. Based on the results of the recent Diocesan Synod and years of planning, this campaign is parish-centered and rooted in the works of Christ: *"And he went about all Galilee, teaching in their synagogues and preaching the gospel of the kingdom and healing every disease and every infirmity among the people"* (Mt. 4:23).

The Christ Our Hope: Building a Vibrant Church campaign will move our Church forward by supporting preaching in our parishes, strengthening our teaching ministries and expanding our healing ministries for those in need.

- ✦ 60% of your donations will directly support parish initiatives.
- ✦ 20% of funds will support an emergency assistance endowment to benefit emergency aid to those in financial crisis through Vermont Catholic Charities.
- ✦ 20% of funds will support a faith formation endowment for statewide initiatives, such as Catholic schools, youth and lay ministry and religious education.

These are challenging times for everyone, and many parishes have seen a downturn in support while the number of requests for emergency aid have increased and so many in our community are seeking the healing words of Christ. We cannot give up on the future of our parishes and ministries serving the faith community.

This week every household will receive a packet of information about the campaign and be invited to consider making a sacrificial gift over a three-year period to support their parish initiatives and statewide ministries above and beyond their usual offertory and Bishop's Annual Appeal contribution. This is an invitation not an expectation. We understand some will not be able to contribute to this campaign, but for those that are able, we need your help.

We ask that everyone pray the campaign prayer for the success of this campaign and support his or her local pastor and campaign volunteers in their efforts.

Please visit the campaign website to watch the campaign video and review other information about how this campaign will set us up for a vibrant future at christourhopevt.org or register for one of Bishop Christopher Coyne's virtual Christ Our Hope chats at christourhopevt.org/events on Aug. 31 or Sept. 1 at 7 p.m. or Sept. 9 at 3 p.m.

"But those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint." (Isaiah 40:30)

Development and Communications**
