Pastor's Notes

My dear family in Christ:

There are times when the scripture translations we hear at Mass are not as accurate as I would like them to be. That's always a possibility when you are translating from Aramaic—likely the everyday language of Jesus—into Greek, the language of the New Testament, into English. Well, the Gospel this weekend is one of those passages which is not as nearly as dramatic in English as it is in the original language.

Jesus says we must be willing to forgive our brother or sister “seventy-seven” times as a way of reflecting the mercy God has poured forth upon us. To illustrate this mercy, our Lord proposes the parable of the unjust servant. Owing his Lord a large amount, the unjust servant pleads for mercy and receives it, but this same servant is unwilling to extend that same gift of mercy to a fellow servant who owed a much smaller amount. This is where the translation is lacking. The actual amount of money owed by the unjust servant would better be translated as 600,000,000 days wages, way more than a large amount. In current terms, we are talking billions of dollars. There is no way the unjust servant would be able to pay this back. Hence the mercy of the king is even more profound because the amount owed is so large. This is the image of God's mercy towards us. No matter how grave the sin, no matter how numerous the times we fall, God will be willing to forgive us in Christ His Son.

This more accurate rendering of the amount owed also makes the unjust servant's unwillingness to extend forgiveness to his fellow servant—who owed about 100 days wages, or thousands of dollars—more significant. His hard-heartedness towards his fellow servant is an image of a person who, having been forgiven by God for a grave sin, is unwilling to forgive someone for a minor slight.

The parable is a stark reminder that, unless we can forgive others, God's forgiveness cannot be guaranteed. If we are unwilling to let go of past hurts, minor or major, then we risk losing out on God's mercy.

Even if we may not feel like forgiving, even if our hearts are still broken by those who have hurt us in word or action, we need to pray for the grace to forgive them. We may not be able to get rid of all the hard feelings and pain that was caused, but if we have made the decision to forgive, then we will be able to receive the forgiveness and healing God desires for all of us.

Stay well and God bless,

Msgr. John J. McDermott, VG

PUBLIC MASS PROTOCOLS—UPDATED

There are some essential requirements as we ease back into gathering as a community of faith:

- The obligation to attend Sunday Mass is still suspended until further notice. No one is obligated to attend Mass for now.
- If someone is not feeling well, out of love of neighbor, they should remain at home and watch Mass on TV.
- Those in higher risk categories, over 65, pre-existing health issues, are encouraged to stay home.
- *Churches can accommodate up to 50% of their capacities while maintaining social distancing.*
- Social distancing must be maintained in Churches. A maximum of 4-5 people per pew. Family members may sit together, others must maintain 6 foot spacing, including in the communion line.
- Every other pew will be taped off.
- Hand sanitizer will be used. Please bring your own to church.
- Masks are to be worn in churches as an act of charity toward others.
- Holy Communion will usually be distributed in the hand. *Those wishing to receive on the tongue are asked to approach for reception at the end of the communion procession or right after Mass.*
- Collection baskets will not be passed, but will be placed near the backs of the churches to receive offerings.
- We ask that people bring their own wipes to wipe down pews after each Mass.

COVID-19 UPDATES

For the latest information on the Covid-19 pandemic and its impact upon our parish and diocesan life, go to www.vermontcatholic.org.

CHRIST OUR HOPE ZOOM MEETING

On Monday, Sept. 14th, at 7:00 PM, Msgr. McDermott will host a virtual parish meeting to provide additional information and answer questions regarding the Christ Our Hope Campaign. It will be an opportunity to learn more about our proposed parish projects and the benefits the Diocese will realize through a successful campaign. The Zoom link will be available on our parish web site and Facebook page.

NEW PLAYGROUND

After several years raising funds, Christ the King School has reached its goal for installing a new playground. The new structure will be installed in mid to late October. Our fund raising goal was reached through a generous donation from the Amy Tarrant Foundation. A big thank you to all who contributed towards this cause. Keep your eyes open for this wonderful addition to our school.

Thank you for your continued support of the school using Amazon Smile and collecting box tops. *Please remember to look for the “Box Tops for Education” logo (pictured) on your box tops.*

CHRIST OUR HOPE IS UNDERWAY

“And my God will supply every need of yours according to his riches in glory in Christ Jesus.”
- Philippians 4:19

As you contemplate how you can help the campaign, please review the gift chart on page 11 of the case statement for guidance. Remember, a successful campaign provides great benefits to Christ the King—St. Anthony parish. Most of the funds — 60% — will return to our parish, allowing us to address Christ the King’s heating system, St. Anthony’s parking lot and landscape, and replenishing parish savings. The Diocese will direct the remaining dollars into two endowments, including one to support Catholic education. Our school system educates roughly 2,000 students yearly. Some families need tuition assistance. Funding an endowment to support education allows us to continue to offer financial support to those who need it.

Our volunteers will continue with outreach calls to discuss the campaign and answer your questions. Once you identify your gift, please complete and return your pledge form or give online by visiting this website: christourhopevt.org.

RELIGIOUS EDUCATION 2020-2021

Religious Education is preparing for the 2019-2020 school year, and as you can imagine, we have a few changes to announce:

Classes for all grades will be virtual this year. We will not be meeting in person, but instead via Zoom. Because of this, our schedule will be a little bit different in order to accommodate every class. Grades 1-4 will start classes on Sunday, September 20, 2020. Grades 5-8 (including Confirmation students) will start classes on Sunday, September 27, 2020. The calendar is available online, or you can email Mrs. Cade at mcade@vermontcatholic.org for a copy.

Please don’t forget to register your child if you want them to attend religious ed classes!

Registration forms can also be found online. Fill them out and email them to Mrs. Cade, either by scanning to pdf or taking a picture and attaching it. *Second graders and Confirmation students need to submit their baptismal certificates with registration.*

As always, if you have any questions, don’t hesitate to reach out to Mrs. Cade at 703-772-7917 or mcade@vermontcatholic.org.

CONFIRMATION 2020

The celebration of the Sacrament of Confirmation, which was postponed this past spring, has been rescheduled for Saturday, October 17, 2020, at 10 AM at St. Joseph Cathedral. All candidates are invited to have their sponsor and four other guests in attendance, due to the continued occupancy restrictions because of the Covid-19 pandemic. More information will be forthcoming, however, *if there is a conflict with this date and time, please contact Msgr. McDermott as soon as possible at 862-5784.*

THE BISHOP’S ANNUAL APPEAL

We are so grateful for the gifts we have received during these challenging times. We hope you will prayerfully consider giving what you have in the past. As of August 18, 2020, we have raised \$62,094 toward our parish goal—*we’ve breached the halfway point!* Please visit bishopsappealvt.org for more information about Your Gift at Work. Every gift makes a difference no matter the size.

NEWS FROM The Inland See

September 12–18, 2020

FOR THE DIOCESE OF BURLINGTON

Halpin Family establishes tuition assistance fund

As Rice Memorial High School in South Burlington approaches 80 percent of the goal for the “Rice: Investing in Our Legacy” campaign and the Diocese of Burlington launches its first-ever statewide “Christ Our Hope: Building a Vibrant Parish” campaign, legacy giving is one critical way an individual or family can have a significant impact on the future of Catholic ministries in Vermont, such as a parish, school, cemetery or specific diocesan ministry.

With eight children who attended Rice — Ned ‘67, Matthew ‘69, Jim ‘70, Tom ‘72, Mike and Pat ‘74, Cathy ‘76 and Beth ‘79 — it’s no surprise that Howard and Kay Halpin spent the better part of 16 years attending or working at one Rice event or another. Whether it was Stunt Nite, Rice Boosters, chaperoning a dance or attending sporting events, the center of the Halpins’ life for nearly two decades was Rice. “Kay and I thank God for the goodness of our neighborhood school and what it did for our family,” said Halpin in 2018.

A veteran of World War II, he and his wife raised their family on Fairmont Street, surrounded by other large families who made faith and education the focus of their lives. Halpin spent 40 years at GE Aerospace, and upon his retirement, began Turbine Weld, an aircraft engine parts

repair business based in Florida, family-owned until its sale earlier this year.

The Halpins considered it important to show their gratitude to Rice by generously giving to the Rice-Cathedral Fund every year for nearly 30 years. After “his beloved” wife died in 2014, Halpin often made his gifts in her memory. One of his last gifts to Rice was \$8,000 — \$1,000 for each of his eight children. “Rice played a major role in this old geezer’s strong belief that the Halpins have been blessed by God,” he said.

Shortly after he died in December 2019 at the age of 97, Rice Annual Giving Manager Nancy Viner approached his children, many of them donors to the annual fund, to inquire about the possibility of establishing a scholarship fund in their father’s memory in the Vermont Catholic Community Foundation.

With more than 40 percent of Rice students needing financial aid, building Rice’s tuition assistance endowment remains a major goal of Rice’s “Investing in Our Legacy” capital campaign. Making Rice available to future generations of students made sense to Beth and her seven siblings. “Our parents truly appreciated the education and spiritual growth Rice provided us all,” she said. “They would consider it their honor to extend the gift of education and spiritual growth to future generations.”
