"As we have seen, there is sometimes a big difference between what God is actually asking of us, and what we imagine he is asking. We won't have the grace to do what God is not asking of us. But for what he is asking, he has promised us his grace: God grants what he commands. When God inspires us to do something (if it really is God who is the source of the inspiration), at the same time he supplies the ability to do it, even if it is beyond our capacity or scares us at the start. Every motion that comes from God brings both the light to understand what God intends, and the strength to accomplish it: light that illuminates the mind, and strength that gives power to the will."

~Fr. Jacques Philippe

From the book Things Hidden: Scripture as Spirituality:

"The more we try to rely upon external threats, the less we are in touch with our own internal power. They tend to cancel one another out. Conversely, the more we are in touch with our own inner power, the less need we have for any external force, threat, or pressure. I would almost describe spirituality as a concern for our being, our inner motivation and attitude, our real inner Source, as opposed to any primary concern for our doing. *Doing will always take care of itself when our being is right.* It is our preoccupation with external forms and successes that makes us superficial, judgmental, split off, and often just downright wrong—without knowing it."

~Richard Rohr, OFM

COVID-19 UPDATE—VACCINES

Parishioners are encouraged to review the statements of the Holy See and the United States Conference of Catholic Bishops regarding the morality of the vaccines which are presently available. Links for these statements can be found at www.vatican.va and www.usccb.org. Our diocesan website also has pertinent information www.vermontcatholic.org. The Pfizer and Moderna vaccines are considered morally licit; other vaccines present greater moral issues.

COVID-19 PROTOCOLS LIFTED

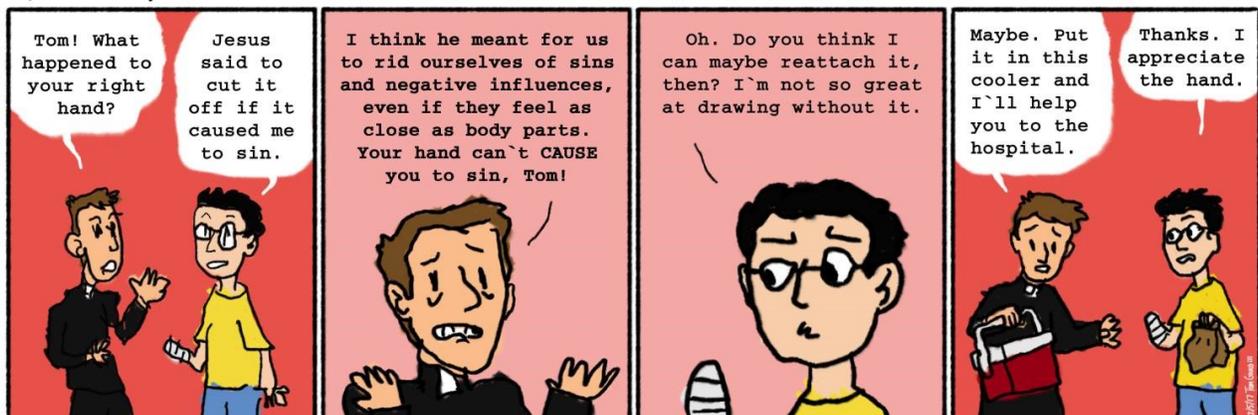

In light of the lifting of all Covid-19 restrictions by the State of Vermont, we can return to full capacity in our churches! We will continue to provide hand sanitizer in at the entrances of the churches. We will still refrain from shaking hands at the Sign of Peace for the coming months. Thank you for your patience and support during these challenging times.

WORLDWIDE ROSARY

Even in this time of worry, confusion, and darkness, there are tremendous signs of hope, including a renewed devotion to Our Lady and the power of the Rosary, and a firmer trust in her promise at Fatima that “In the end, my Immaculate Heart will triumph.” In that spirit, we are inviting you to gather to pray the Rosary with other believers around the world as many Catholic teachers and influencers, including Kimberly Hahn, Sr. Miriam James Heidland, Fr.

Donald Calloway, and Chris Stefanick, lead us through the sacred mysteries. This will be a live, worldwide, virtual event at 6:30 PM Central on October 7, 2021—yes, that’s right, the feast of Our Lady of the Rosary! You will need to register in advance to receive the link to join in. Here’s where to sign up: <https://www.tickettailor.com/events/avilafoundation/568089#>.

CHRIST OUR

Campaign update

I can do all things through Christ who strengthens me. —Philippians 4:13

This challenging year reminds us how our faith sustains us during turbulent times. God never promised us life would be easy, but his Son, Jesus Christ told us that for those who follow Him, “His yoke is easy and His burden light.” With Him, we can weather any storm, bear any troubles. As a community of faith in the Church we have done so through the centuries down to today.

In the fall of 2019, after two years of planning and guided by the results of our first synod in more than 60 years, we launched the Diocese of Burlington’s first statewide campaign, Christ Our Hope: Building a Vibrant Church. This campaign seeks to mirror the work of Christ as found in Matthew 4:23: “And He went about all Galilee, teaching in their synagogues and preaching the Gospel of the kingdom and healing every disease and every infirmity among the people.”

Each gift to the campaign supports those ministries in our Diocese:

- **Preaching** — building vibrant and welcoming parishes (60 percent to parishes).
- **Teaching** — evangelization through faith formation programs, such as religious education and Catholic schools (20 percent).
- **Healing** — emergency aid to households in crisis (20 percent).

With several leadership gifts committed, we moved forward with full trust in Christ that those who could give, would give. In just three months, we raised \$4.4 million with most funds going directly back to our parishes. It was truly an amazing response, raising exactly what we needed to strengthen the mission of the Church in Vermont.

Then the pandemic hit. The campaign had to be put on hold. Many parishes and many people still wanted to give but they asked us to come back this year to make the same request anew. The goals that were developed by your parish council and pastor to address local, immediate needs are still there. In order to meet those goals, I need your generosity.

I humbly ask you to consider a gift to the Christ Our Hope: Building a Vibrant Church campaign. Your gift will continue the work of Christ in Vermont by maintaining a vibrant Church that is welcoming and cares for all.

May Mary, Mother of the Church, pray for us.

Yours in faith and hope in Christ,

Christopher J. Coyne
