LECTURAS DE LA SEMANA:**<https://bible.usccb.org/>**DID YOU KNOW?****The impact of social distancing on children**

The negative effects of the pandemic on children are just beginning to be seen, as children head back to schools and daycares, some for the first time in well over a year. Children may be struggling socially, academically, and developmentally, due to a year of social distancing and predominantly online interaction. Work with your children to discuss how they are feeling — check in often for any signs that they might be overwhelmed or struggling. For more information, read the article, "[The impact of social distancing on young children.](#)"

¿SABÍA USTED?**El impacto del distanciamiento social en los niños**

Los efectos negativos de la pandemia en los niños apenas comienzan a verse, ya que los niños regresan a las escuelas y guarderías, algunos por primera vez en más de un año. Los niños pueden tener dificultades sociales, académicas y de desarrollo debido a un año de distanciamiento social e interacción predominantemente en línea. Platique con sus hijos sobre cómo se sienten; fíjese si existen señales de que puedan estar abrumados o tener dificultades. Para obtener más información, lea el artículo en inglés, "[The impact of social distancing on young children](#)" (El impacto del distanciamiento social en los niños pequeños).
