From the Financial Secretary—2015 Dues

By the January Business meeting everyone should have received his 2015 dues statement. If you have not received a statement please give me a call. (805 583-0725)

Your 2015 Dues are due by 2/15/15. You can pay annually or quarterly. If the payment of the dues creates a financial hardship, please contact the Grand Knight to discuss your particular situation.

For those who do not know, out of your \$44.00 dues, we pay \$16.48 to:

K of C State per capita (\$11.60)

K of C Supreme per capita and variable assessments (\$4.88)

The remaining \$27.52 goes to support the operating cost of the council. Once you join the Knights, this \$16.48 has to be paid by the council whether you pay your dues or not. So if you don't pay your dues, the money has to come from the funds set aside for the operating costs.

The only way we can avoid paying the \$16.48 is to process the proper "Disability-Relief From Payment" form or for you to send a written request for withdrawal from the Knights. This can be written on the returned invoice.

God Bless you and loved ones.

Gil Lindberg
Financial Secretary
805 583-0725

P.S. The \$1.00 mailing assessment pays for the postage of mailing your statement and membership cards.

DEACON'S CORNER

We are often asked to pray for someone. We pray especially for those who are sick or in need of healing, those about to undergo a major situation. When all goes well we are quick to say that our prayers were answered. We ask for God's healing and intervention for those in need. We should always pray for them and others. What do you do when God suddenly turns you down and says "No".

A tragic event can topple your dream about a heavenly Father who will help you through the trials and tribulations of life. When someone you love dies, even though you pray and plea to save them, it can be heart-wrenching. The anger and confusion of things not going the way you prayed can cause doubt in the very existence of God. This experience will either lead you to a reluctant acceptance of God's will or a rejection of His will.

We see in Scripture those disillusioned that God would allow others to enslave them. We hear of this when someone questions why God would allow unthinkable atrocities such as the Holocaust or other disasters.

God reveals His answer to such questions in the Book of Job. Job had his world turned upside down by numerous tragedies. One misfortune after another devastated him, and yet he remained steadfast in his faith. He put on the will to honor God no matter how great the miseries of his life affected him. In the end God rewarded him for his deep devotion.

Upon prayerful reflection of the Job story, we could gain some perspective on the simple concept; life is a test but if you pass the test, eternal happiness awaits.

Deacon Terry

Pontifical council to consider challenges women face in society, church

VATICAN CITY (CNS) -- Violence against women, cultural pressures regarding women's physical appearance, attitudes that subjugate women or that ignore male-female differences and the growing alienation of women from the church in some parts of the world are themes the Pontifical Council for Culture is set to explore.

The council has chosen to discuss the theme, "Women's Cultures: Equality and Difference," during its plenary assembly Feb. 4-7 at the Vatican. A news conference was scheduled for Feb. 2, but the council published its discussion document on the topic in late January.

The document, drafted by a group of women appointed by the council, looked at the continuing quest to find balance in promoting women's equality while valuing the differences between women and men; the concrete and symbolic aspects of women's potential for motherhood; cultural attitudes toward women's bodies; and women and religion, including questions about their participation in church decision-making.

The council said the theme was chosen "to identify possible pastoral paths, which will allow Christian communities to listen and dialogue with the world today in this sphere," while recognizing that in different cultures and for individual women the situation will be different.

While cautioning against generalizations, the document rejects the notion that there are no differences between men and women, and that each person "chooses and builds his-her identity; owns him-herself and answers primarily to him-herself."

In preparing the document and the plenary discussions, the council sought input from women around the world. However, the process was not without criticism, particularly for the English version of a video featuring an Italian actress, Nanci Brilli, asking women to send in their experiences. Many women felt the use of a heavily made-up actress ran counter to the point of seeking input about the real lives of most women. The council quickly took the English version off YouTube.

In the section on women and the church, the document described "multifaceted discomfort" with images of women that are no longer relevant and with a Christian community that seems to value their input even less than the world of business and commerce does.

Many women, it said, "have reached places of prestige within society and the workplace, but have no corresponding decisional role nor responsibility within ecclesial communities."

Council members are not proposing a discussion of ordaining women priests, the document said and, in fact, statistics show ordination "is not something that women want." However, it said, "if, as Pope Francis says, women have a central role in Christianity, this role must find a counterpart also in the ordinary life of the church."

Annual Bishop Fishing Trip Only 9 months to go October 1-4, 2015

I don't think it is too early to start thinking about our annual fishing trip. How many times have you said to yourself that you should go on the trip at least once? This trip should be on your bucket list. Start thinking now and be ready when the next trip comes around.

The annual Men's KCO (K of C Outdoor Club) fishing trip to the Bishop Creek area of the Eastern Sierra's is held on the 1st weekend of October (10/1/15-10/4/15).

Join me and 40-50 of your Brother Knights, friends, and families for a great weekend. In addition to the South Fork of Bishop Creek that runs through the campground, there are the South Lake, North Lake, Lake Sabrina and Intake 2 fishing areas nearby.

The event is held at the Creekside RV Park with campsites, RV sites, and trailers available for rent. **You must make your own reservation for sites.** They hold a few sites for us but they are first come-first serve. Contact the office at Creekside for a reservation of your desired site. Be sure to tell them that you will be part of our group. They may be reached at 760-873-4483.

Activities include a fishing derby with many prizes (adults and kids, depending on attendance), a BBQ Tri-Tip Dinner on Saturday Night, and card games almost every night. If we have enough interest and help we may have a Sunday morning breakfast.

Beautiful mountain (elevation 8300 ft at the campgrounds) scenery, good fishing (trout up to 5 lbs) and good people. You shouldn't pass it up. Ask anybody that has ever gone, they will tell you what a great weekend it is.

This event is open to Council and Assembly members, their families, and friends. We generally have only male guests (let your wives and daughters have a "ladies night out" with other fishing trip widows).

Lets hope that the weather, the Edison Company, and assorted others allow for more water into South Lake, Lake Sabrina, and the creeks. Like all of California, the Eastern Sierras need water/rain/snow. Let us pray that our drought ends before we have more serious water shortages and possible rationing.

Special Note: The pond within the Creekside Campgrounds continues to be under control of the California Department of Fish and Game. They stock the pond on their schedule. All normal Fish and Game laws apply.

For more information, please contact me at a Council or Assembly Event or call me.

BEREAVEMENT & FRATERNAL REPORT

My Brothers and their Families;

As we closed out 2014 and enter into 2015 this has been a lousy 6 weeks to start the year. With the death of my wife's mom, Mary Catania on the 17th. Of December, we have had 5 deceased members of the 5803 family. Paul Fracnk's Wife Bernadette, Ty McDermott's dad Raymond, Jim Fabry's wife's Linda's mom Sue Thomas and our Charter Member brother Jack White. I have had the privilege of knowing Jack for over 45 years. What a great friend, he was never an officer, he never held a chairmanship, for the council, but he was there to help any time he was ask. He loved the outdoors and fishing. When Bob Miller [God rest his soul] was head of our council outdoor club, he was a terrific helper for Bob as back in those days, we might have as many as 5 or 6 outings during the year instead of just the Bishop Trip we have now. He has been in ill health for some time and now he does not have to suffer anymore, as he now can enjoy the fruits of God's Love in Heaven. To Helen and their five children and the rest of her family our Love & Prayers go out to all of you and also to the 4 other families above.

Please keep in our prayers the following who are in ill health especially, Ginger Trematore who had a Cancer operation, Pat and Jan Moran, Dominic & Trudy Costanzo, John Erickson {Fred's Son}, and Josephine Valdez {Fred's Wife}, Alan & Irene Canfield,, John Linscott PGK., Rachel McCracken [PGK. John's wife] Jan Strojeck [Deceased PGK. Gene Strojeck], PGK John Mitchell & Son Jack, Tyler Ritch, , Joe Trematore, Richard Case, Harold "Chris Lev Jr., Pat Silvestri, Michael Wilkomm, Afra Rodgers [Ralph's wife], Tom Susan's [son of deceased brother Tom Susan's], Ann Bansbach [wife of deceased brother Herb Bansbach], Lois Huerth [PGK. Ron's wife], Dan & Carmel Kelly, Paul Friedeborn Family, Kittie Fidermutz [Lonnie Todd's Daughter], Peggy Giarrussio [Gerald's Wife] Ari Conner [Wife of Blair], Dante Ferrari [Patrick Ferrari son], Chelsea White { Jack's Granddaughter}, Thomas Riss [PGK. Gerry's Brother], Sue Riss [Sister], Teri Hoskins [Tim's Wife], Bernice Hansen, Debbie Hollar, and,, and G.K. Gene Walinski's Mom Maryann Walinski .

Please continue praying for our serviceman and women, as they continue to serve throughout the world, helping to maintain peace and the ideals of our country. My Brothers, if you know of someone in your family, or a friend who is in ill health, who needs our prayers, please give us a call at the phone numbers below to let us know.

To our Brothers and their families we want to wish you all a FANTASTIC 2015 to one and all

Pope says keep faith fresh, don't become 'lukewarm Christians'

VATICAN CITY (CNS) -- Remembering that first encounter and that initial feeling of loving and being loved is as important in one's faith life as it is marriage, Pope Francis said during his early morning Mass. "If we throw away the enthusiasm that comes from the memory of that first love," he said, "the greatest danger for Christians draws near: tepidness. Lukewarm Christians." Preaching Jan. 30 during Mass in the chapel of the Domus Sanctae Marthae where he lives, Pope Francis said remembering "the great joy" of knowing one was saved by Jesus and "the desire to do great things" for God and for others is necessary for keeping one's faith burning brightly. Reporting on the homily, Vatican Radio said Pope Francis warned that when Christians do not keep in mind that original experience of grace and faith, they become "spiritually inert." Lukewarm Christians, he said, "are there, stopped, and yes, they are Christians, but they have lost the memory of that first love. And they have lost their enthusiasm, but also they have lost their patience, that ability to tolerate things with the spirit of the love of Jesus," and, especially, "to tolerate those things they must carry on their shoulders, those difficulties."

KNIGHTS OF COLUMBUS BOWLING LEAGUE

The 2014-2015 season is progressing nicely with the first half concluding last month. Congratulations to the first half winner the team "Motley Crew" with the bowlers Tom & Pat Lotz, John Martinez, and Kay Roessig. The winner of the first half will play the winner of the second half in May for the overall championship.

Think about joining us this season as a sub or on the wait list for a regular position if it shows up. We can always use subs. Only \$3 for a sub after you pay your USBC Sanctioning fees of \$20. Let me know if you are interested in joining as a regular bowler or substitute. Returning bowlers have priority on being a regular again. Additional new regular bowlers will be asked/allowed to bowl with the following order: being a Knight, a Knight's spouse, or part of a Knight's family (age 18 and older). Friends, neighbors, coworkers or others with an existing regular bowler as a sponsor will be considered as space allows.

We don't need great bowlers but we do need those bowlers that want an enjoyable evening among friends and families.
