Grand Knight Report

Knights of Columbus Council No. 5803, 1255 E. Patricia Ave. Simi Valley, CA

We had a wonderful officer installation and turnover dinner on July 28. We had about 70 people and Tony Bono-mo and his crew helped cook a great tri-tip dinner. Tony of course cooked the Sunday community dinner at the same time. Thanks for all that attended. We held the turn-over dinner at the St. Rose Parish Hall this year due to the construction work we are doing at the Knights hall. We are working on a new roof and some new AC units. We are also replacing the Fire suppression hood in the Kitchen.

Our next big event in August will be cooking for the St. Rose Feast day at St. Rose of Lima on August 23rd. If you can help cook our server that day give me a call or send me an email: rickostrich@gmail.com.

In August we are also helping at the 13 Souls Run on August 24. If you can help with that please contact Dan Owens.

The other big news is we are going on a cruise to Mexico in January 2025. See the article in this bulletin for all the details.

Assumption

On August 15th we celebrate the feast of the Assumption of the Blessed Virgin Mary. That means that Mary, at the end of her life, was taken body and soul into heaven. Many non-Catholics don't believe in the assumption of Mary because it's not in the Bible.

Well, let's look and see what the Bible has to say about that. In Genesis 5:21-24 and Hebrew 11:5, we read about Enoch being taken by God and that he "walked with" God. In 2 Kings 2:11, Elijah is taken up to heaven in a fiery chariot. So it seems they were both assumed in some manner or other, body and soul, into heaven, which means the assumption of Mary, as a possibility, is not counter to Scripture.

Then we have Rev 11:7-12 "When they (two witnesses from God, some time in the future) have finished their testimony, the beast ascends from the bottomless pit will make war upon them and conquer them, and kill them and their dead bodies will be in the street of the great city-----verse 11 - says, But after 3 ½ days, a breath of life from God, entered them. When they stood on their feet, great fear fell on those who saw them. Verse 12 - says Then they heard a loud voice from heaven say to them, "Come up here". So they went up to heaven in a cloud as their enemies looked on. These two witnesses sent by God were dead for 3 ½ days before being brought back to life and then assumed - body and soul - into heaven.

The principle of the Assumption is not contrary to Scripture. If it can be done for all those, why not for the Blessed Virgin Mary.

Field Agent Report

Brothers, This is an exciting time of year for two reasons.

First, our 142nd Annual Supreme Convention is taking place in Quebec, August 6-8. Supreme Knight Patrick Kelly will lead us in celebrating the successes of our Order over the last Fraternal Year. He will announce the number of volunteer hours completed, the amount of charitable donations made, and more.

That impact is only possible through our work right here on the local level. I hope that you take as much joy in being a Knight and making a difference as I do.

I encourage you to watch the livestream of the Supreme Convention at kofc.org/convention. Or, if you're unable to watch live, you will be able to find news articles and videos on the website during and after the convention.

Second, I am excited as we begin a new Fraternal Year. There's much work to be done in our community as always. I pray that Blessed Michael McGivney, whose feast day we celebrate August 13, will watch over our efforts this year and that we will continue to grow in charity, unity, and fraternity.

If you've benefitted over the past year from any aspect of your experience with the Knights – whether through faith-based activities, volunteer work with your brothers, getting a handle on financial matters or something else – I encourage you to invite a friend or family member into that experience with you. Let's share that brotherhood with others.

I pray, too, that through the intercession of our founder, God will bless our families abundantly this year.

As always, I am available to discuss how Knights of Columbus can help protect you and your family financially. I hope you will avail yourself of this important benefit of being a member of our Order

THE Critical Lifestyle Factor for Long-Term Health and Longevity

More money moved into longevity research in 2024 than any time in history, and next year will exceed the one before. Reported studies hint at possible breakthroughs in lifespan/healthspan, but then usually conclude that more study is required to realize these potentials. Excitement gets dimmed by unexpected complexities, but progress is accelerating in my mind.

Meanwhile, the basic strategies to maintain health long-term are those I site in my 6-Pillars for Senior Fitness promoted [on my website](#): Keep current with Antiaging technology (I suggest subscribing to the FREE [Longevity Insider newsletter](#)); Eat real food - not in excess; Exercise is a must; Sleep adequately; Use proven supplements and Cultivate productive thinking and a Grateful attitude. A few years ago I added Rejuvenation Strategies as a 7th Pillar, and productive strategies are indeed being realized. Most of the experimental drugs in the research pipeline are tested on short-lived animals or lower life forms, and show great improvements, some on the order of doubling lifespans. But when tried on humans, add mere weeks or months rather than years or decades to projected lifespan. Often these benefits are compared to the benefit of lifelong exercise, and found to be significantly less than simply being physically active on a daily basis.

I recently wrote about eliminating senescent cells with [Senolytic Activator](#) as a viable strategy to extending healthspan, which I have been using for a few years. This practice looks to reduce inflammation that intensifies with aging, and in doing so, slows late-life decline into the diseases of aging – possibly staying healthy decades longer. (You want to get this from me – far cheaper than retail)

Sometime before that I wrote about boosting NAD⁺ levels (an enzyme required for energy production) with a precursor Nicotinamide mononucleotide (NMN) which will restore youthful energy levels: for how long, we don't know, but I stopped needing naps when I started using it at 78, and 6 years later never think about needing a nap. A Liposomal version is now available at [Renuebyscience.com](#); use discount code FRANK10 at checkout for 10% off the price and free shipping (use for your next 9 orders as well). If you want energy levels like you had in your thirties – this does it!

More recently I wrote of Fatty15; a newly discovered Essential fatty acid that adds a decade or two to the health-span of Dolphins, and likely will do the same in us; now an [available supplement](#).

Still, these potential breakthroughs are measured against the life-extending benefit of exercise, and so far exercise wins. Of the forms of exercise in practice, nothing works as well for aging as Progressive Strength Training. The primary hallmark of aging is muscle loss, and Strength Training grows muscle, at every age. My gym is now LM Fitness; updated equipment, not too busy, and I have more training slots available – it's a wonderful time to learn the #1 strategy for life-long fitness from a well-seasoned pro.

Strength Training is complicated; many practices need to be learned, and every body part requires a particular movement and proper form to get the full benefit and avoid injury. One needs to acquire a fondness for moments of extreme exertion and for the soreness that comes a day-and-a-half later and lasts for a few days. A well-equipped gym is a realistic requirement, and learning this on your own is an injury trap – you need a competent trainer, with a specialization in senior fitness. I work out of [LM Fitness](#) and have openings in my schedule, no membership fee while training with me. Free advice is available to all by email or phone. Just reach out and tap me as a resource. wilhelmi@pacbell.net or 805-587-6855.

Back again this year is the 13 Souls of Kabul charity Run/walk/bike event, August 24th, 2024 starting from the Simi Metrolink station at 6:15 am and runs along the Arroyo Simi bike path to Madera Rd and back.

On August 26, 2021, during the evacuation of the Karzai Airport in Kabul, Afghanistan, a suicide bomber killed 170 people of Afghanistan and 13 U.S. Service Members, and critically wounded 18 U.S. service members. As a tribute to those service men and women that lost their lives from this tragic event and to benefit their families, the 13 Souls Memorial Run/Walk/Bike event and fundraiser was born. Organized by a brother knight and father of a Marine that was there during the evacuation but survived. He turned a personal run into a larger, memorial run for our lost 13. This year we ask participants to make a Low entry donation fee to register for this worthy cause at givesendgo.com/13soulsrun2024. You can make a donation even if you are not participating.

This is a 1k, 5k, 10k, 1/2 Marathon event that is NOT TIMED.

There are no prizes at the end. A breakfast will be provided to all registered participants and volunteers, prepared and donated by the Y's Men of the Simi Valley YMCA Men's Group. This is a morning of celebration and reflection to honor those we lost and who were critically wounded on August 26th, 2021. This is also a fun, community event celebrating life and the freedoms we have here in the United States.

If you want to volunteer, sign up at 13soulsrun.org. For more info contact PGK Dan Owens (805) 657-1137

California Installation of Officers

On Saturday, July 6th we attended the Knights of Columbus California Installation of Officers at St. Lucy's Church in Long Beach. If you have never been to St. Lucy's, the church is not one of the biggest. I believe it may hold a maximum of 250 people. To say there was little room is an understatement. I believe there was at least 5 hundred plus in attendance and the honor guard which extended outside the church.

I must apologize for the photos. With so little room to even move a small amount, I did my best to get some pictures which will give you an idea of the extent of crowd in attendance and the installation of officers. The Officers who were to be installed were all dressed in white except for Fr. Budi who was installed as the California State Chaplin. You may remember him as an associate at St Rose of Lima in Simi Valley. He is now Pastor of St Lucy's. Also in attendance was Deacon Pete Wilson who you may recognize from St Rose. Presiding was Bishop Marc V. Trudeau, "Fr. Budi's Boss", as Fr. Budi introduced him to us.

St. Lucy has a large Philippine congregation. They were very welcoming and even though we didn't have a reservation, which was mandatory, they accommodated us and fed us a delightful meal which was cooked for all five hundred plus in attendance.
