**Support our Catholic Schools Collection August 15!** Our diocesan Catholic Schools need your support! COVID affected the educational landscape for our students this past year, but our Catholic schools demonstrated creative efforts and grace to face these new challenges. Over 3,100 Catholic school students in our diocese benefit from a holistic education that focuses on formation, spirituality, emotionally, socially, physically, and academically. While 76% of public school students in the 2020-2021 school year across the state of Tennessee received no educational program, 100% of our Catholic school students continued their educational studies through the efforts of our Catholic schools' teachers and administrators. Given the current economic situation, the need for supplemental tuition support has doubled over the past 5 years. A record \$5.2 million dollars in tuition support was given to families this past year. Help ensure all children have the opportunity to enjoy a Catholic school education by 'Sharing in the Spirit' and supporting our Catholic Schools Tuition Support Collection. To make a gift, place your gift in the offertory at Mass the weekend of August 15th.
