Sacrament of Baptism: Parish Registration and a Baptism class is required. Please contact Eileen Kutchak, 240-864-2510, to register and plan to attend the class while awaiting the birth or adoption of your child.

Sacrament of Matrimony: In accord with the regulations of the Archdiocese of Washington, couples must contact a priest and begin preparation at least six months prior to the wedding. Parish registration and active participation for the minimum of three months is required before preparation may begin. Living together before marriage is sinful and harmful to the future marriage. Couples who are living together will be asked to live separately during the preparation time.

What does it mean to be an active Catholic? Frequently, those seeking to celebrate Marriage, have children baptized, or serve as sponsors for Confirmation or Baptism request a letter stating they are parishioners and active, practicing Catholics. To receive such a letter, one must be registered in the parish, attend Mass regularly, and be committed to a stewardship of time, talent, and treasure. We encourage all parishioners to become active in one of the parish organizations. In a community as large as St. Raphael, one means of verifying participation is through the regular use of parish offertory envelopes. If you choose not to participate in the support of the parish, or are unable to contribute at this time, please at least note your prayerful support on your envelope and place it in the weekly offertory. We will then be aware of your continued participation, and you will not be noted as "inactive" on our parish roster.

Update Your Online Parish Giving
Faith Direct has merged to be part of the ParishSoft Giving platform.

What you need to know!

All your giving data and payment information was securely migrated over so that you do not have to create a new account. Your login information will be the same password that you had in Faith Direct and your user name will be the email address on file on your account. However if you have any trouble with it, we recommend to click 'forgot password' and instructions will be sent to your email to reset your password.

[If you should have any questions or need any assistance on your account, you can contact ParishSOFT Donor Support at donorsupport@parishsoft.com](#) or call #866-930-4774 option 6.

If you're signed up for weekly offering, the amount that you want to donate weekly will be deducted weekly instead of once a month! This is a benefit to not only you but the parish as well. If you don't like it and would like to keep the amount just once a month, you will be able to log in and update your account or contact Donor Support to have that change made as well. You're also no longer locked into the 4th or the 15th, you'd be able to log in and set your recurring gifts based on your schedule any day of the month.

St. Elizabeth of Hungary - November 17
(Patron of bakers, widows, hospitals, and charitable workers)

St. Elizabeth of Hungary (1207–1231) was a princess who chose a life of charity and compassion. After her husband's death, she devoted herself to the poor and the sick, founding hospitals and sharing her wealth. Tradition tells that when she secretly carried bread to the hungry, it miraculously turned to roses a sign of God's blessing on her mercy. May her example inspire us to serve others with joyful hearts and see Christ in all who suffer.
