Sacrament of Baptism: Parish Registration and a Baptism class is required. Please contact Eileen Kutchak, 240-864-2510, to register and plan to attend the class while awaiting the birth or adoption of your child.

Sacrament of Matrimony: In accord with the regulations of the Archdiocese of Washington, couples must contact a priest and begin preparation at least six months prior to the wedding. Parish registration and active participation for the minimum of three months is required before preparation may begin. Living together before marriage is sinful and harmful to the future marriage. Couples who are living together will be asked to live separately during the preparation time.

What does it mean to be an active Catholic? Frequently, those seeking to celebrate Marriage, have children baptized, or serve as sponsors for Confirmation or Baptism request a letter stating they are parishioners and active, practicing Catholics. To receive such a letter, one must be registered in the parish, attend Mass regularly, and be committed to a stewardship of time, talent, and treasure. We encourage all parishioners to become active in one of the parish organizations. In a community as large as St. Raphael, one means of verifying participation is through the regular use of parish offertory envelopes. If you choose not to participate in the support of the parish, or are unable to contribute at this time, please at least note your prayerful support on your envelope and place it in the weekly offertory. We will then be aware of your continued participation, and you will not be noted as "inactive" on our parish roster.

Update Your Online Parish Giving
Faith Direct has merged to be part of the ParishSoft Giving platform.
 What you need to know!
 All your giving data and payment information was securely migrated over so that you do not have to create a new account. Your login information will be the same password that you had in Faith Direct and your user name will be the email address on file on your account. However if you have any trouble with it, we recommend to click 'forgot password' and instructions will be sent to your email to reset your password.

[If you should have any questions or need any assistance on your account, you can contact ParishSOFT Donor Support at donorsupport@parishsoft.com or call #866-930-4774 option 6.](#)

If you're signed up for weekly offering, the amount that you want to donate weekly will be deducted weekly instead of once a month! This is a benefit to not only you but the parish as well. If you don't like it and would like to keep the amount just once a month, you will be able to log in and update your account or contact Donor Support to have that change made as well. You're also no longer locked into the 4th or the 15th, you'd be able to log in and set your recurring gifts based on your schedule any day of the month.

Volunteers Needed! Can you help?

The St. Vincent de Paul Society is looking for volunteers to join the committee. Our mission is to serve the poor in our local community. Our volunteers meet twice per month at the parish library and make home visits (along with a partner) to meet the neighbors in need to see how our committee can assist. Due to the economic hardships our area is facing we are receiving many calls for help with rent, utilities and food. We need more volunteers to assist with our cases. Time commitment is approximately 2-3 hours per month.

Anyone interested can contact Amy May, 240-491-2325.

Saintly Steps with SRRE

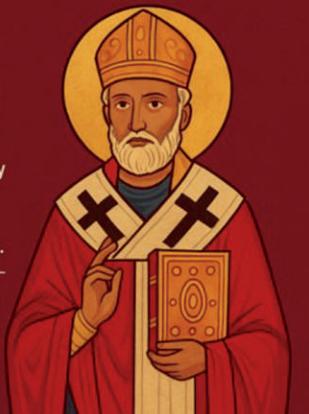

Discover a new holy friend every week as we grow in faith together

This week, a gift of two inspiring saints whose courage and faith still speak to us today!

ST. NICHOLAS THE GIFT-GIVER OF JOY

St. Nicholas lived in the 4th century (around AD 270-343) and was a bishop known for his kindness, generosity, and deep love for Jesus. He secretly helped people in need—especially children and families—by leaving gifts when they least expected it.

Feast Day: December 6

St. Bibiana – Joyful and Brave Feast Day: December 2

St. Bibiana lived in Rome during the 4th century (around AD 352-362), when being Christian was dangerous. When people tried to make her give up her faith, she refused because she loved Jesus more than anything. Even when she suffered for what she believed, she never lost her joy or hope.

Her name comes from the word "vivus," meaning alive, a reminder that real life comes from God! St. Bibiana shows us that joy isn't about everything going

right but about trusting that God is with us no matter what happens.
