Mission

The mission of Holy Name High School is to lead young adults to Christ by educating them in mind, body, and spirit.

About Holy Name High School

Holy Name High School is a co-educational, Catholic high school, founded in 1914. This school is a college preparatory institution enrolling students in grades 9-12. Holy Name, rooted in Christian values, promotes excellence in education through a challenging curriculum, personal responsibility, and participation in extra-curricular activities. Our graduates move into the future with the confidence to succeed.
