TIME IS RUNNING OUT. This wk & next, our 2nd Rdg from St. Paul's Lttr to the Corinthians carries a tightly packed message: 'time is short' 'so don't worry'.

In our minds, the 2 lessons don't go together. Shortness of time translates into anxiety.

Intercessory prayer asks "on behalf of another. It knows no boundaries and extends to one's enemies" CCC 2647. Please let us know who (with their permission) we can lift up in prayer. Thnx.

Not for Paul.

Let's take a lesson from

this great Saint. Don't hold it against him if he exaggerates a

little. When he jots down, weep as though not weeping,

buy as though not owning, he

doesn't expect to be taken

Not today. I've got a lot of running around to do.

superliterally.

It's about focus.

St. Paul and the whole Christian tradition invites us to focus on things that last more so than on things that pass.

Running around like a chicken with its head cut off is not the best icon for a believer in Jesus.

Daily, we must ask ourselves if the things of this world draw us away Jesus' and his Good News (Gospel). What is my relationship towards things that pass? Am I geared towards the things that last? Last Week's Giving

LEGENDS OF ROCK, CONCERT, APR 27. St John's Academy (Jamestown, ND) principal Jeff Trumbauer announced a unique fundraiser. "The Legends of Rock" concert will feature Grammy award-winning artist John Elefante from *Kansas* along with Fran Cosmo from *Boston*, Kevin Chalfant with *Journey* and Randall Hall from

Lynyrd Skynyrd.

School alumni and community business owners felt this planned concert would be "a musical event beyond belief to help combat inflation and support the ideal of faith-based learning in south-central North Dakota."

If there's a group from our parish that's interested in this Pilgrimage to Jame-

stown, count me in. You know I love rocks!

Reminder, baskets will be out in both churches to collect your palms from last year's Palm Sun. From these we'll produce the ashes for Ash Weds.

Remember, you are dust and unto dust you shall a return.

"I amwell aware that speaking of a 'Synod on Synodality' may seem like something excessively technical and of little interest to the general public, but what has happened over the past year, which will continue with the second stage of Synod in Oct, 2024, is something truly important for the

Church," Pope Francis said. Elsewhere he emphasized that to reform the Church is to put God first and to love and serve others. "This is the Church we are called to 'dreamt: a Church that is the servant of all, the servant of the least of our brothers and sisters; a Church that never demands evidence of 'good behavior,' but welcomes, serves, loves, forgives, a Church with open doors that is a haven of mercy. We may have plenty of good ideas on how to reform the Church, but let's remember: to adore God and to love our brothers and sisters with his love, that is the great and perennial reform"

Bulletin Bloopers from K.M. - "Don't let worry kill you. The Church can help."

"The parish is asking if some ladies would let us borrow their electric girdles for the pancake breakfast."
