### WHAT WE'LL DISCUSS

"The mission of the Church requires the entire People of God to be on a journey together, with each member playing his or her crucial role, united with each other. A synodal Church walks forward in communion to pursue a common mission through the participation of each and every one of her members. The objective of this Synodal Process is not to provide a temporary or onetime experience of synodality, but rather to provide an opportunity for the entire People of God to discern together how to move forward on the path towards being a more synodal Church in the long-term" (Vademecum for the Synod on Synodality #1.3).

Through the Synod on Synodality, Pope Francis is asking the Church to rediscover its deeply synodal roots and to reflect on how the path of synodality is the way for the entire People of God to journey forward together.

"...the objective of the current Synod is to listen, as the entire People of God, to what the Holy Spirit is saying to the Church. We do so by listening together to the Word of God in Scripture and the living Tradition of the Church, and then by listening to one another, and especially to those at the margins, discerning the signs of the times" (Ibid).
