LENTEN GUIDELINES

The 2023 Lenten Season began on Ash Wednesday, February 22, and will end with the beginning of the Easter Triduum and the celebration of the Mass of the Lord’s Supper on Holy Thursday, April 6.

Lent offers us the opportunity to prepare for the celebration of Easter, to walk with the catechumens preparing for the celebration of Baptism, Eucharist and Confirmation, and for those of us who are baptized to prepare ourselves to renew our baptismal promises through penitential practices, prayer and alms-giving.

In a particular way during Lent, we are asked to devote ourselves to the spiritual and corporal works of mercy that “remind us that faith finds expression in concrete everyday actions meant to help our neighbors in body and spirit.”

The following practices are to be observed by Catholics in the Diocese of Erie in their penitential practices:

FASTING

- In the dioceses in the United States, Catholics aged 18 through 59 are bound to fast on both Ash Wednesday (February 22, 2023) and Good Friday (April 7, 2023).
- To fast means a person is permitted to eat one full meal, as well as two smaller meals that together are not equal to a full meal. Food and drink between meals (excepting water and medicine) is not permitted on fast days.

ABSTINENCE FROM MEAT

- Catholics aged 14 and up are to abstain from meat on Ash Wednesday, all Fridays of Lent and Good Friday.
- To abstain means refraining from eating beef, veal, pork or poultry at least, although eggs and milk products are acceptable. The consumption of fish and shellfish is permitted, though the penitential character of the abstinence should be kept in mind.

EASTER DUTY

- All the faithful, after they have been initiated into the Most Holy Eucharist, are bound by the obligation of receiving Communion at least once a year. This precept is to be fulfilled during the Easter Season unless it is fulfilled, for a just cause, at some other time during the year. This period is extended to include all the weeks of Lent and the Easter Season up to Pentecost Sunday (May 28, 2023).

LENTEN PRACTICES

- The faithful are encouraged during Lent to attend daily Mass, receive Holy Communion, participate in penance services and receive sacramental absolution; to take part in public and private exercises of piety, give generously to works of religion and charity, perform acts of kindness toward the sick, aged and the poor; to practice voluntary self-denial, especially regarding food, drink and worldly amusements; and to pray more fervently, particularly for the intentions of the Holy Father.
