**MIRACLES OF THE EUCHARIST**

**Eucharistic Miracle of Daroca Spain | 1239 AD**

"The Eucharistic miracle of Daroca was verified shortly before one of the numerous battles sustained by the Spanish against the Moors. The Christian commanders asked the priest in the field to celebrate Mass, but a few minutes after the consecration, an improvised enemy attack obliged the priest to suspend Mass and hide the consecrated Hosts amid the linens of the celebration. The Spanish left the battle victorious and the commanders asked the priest to communicate the Hosts previously consecrated. However, they were found completely covered in Blood. Even today, it is possible to venerate the blood-stained linens."

*Look for the full history on the bulletin board and the parish website.*
