

# **BREAKING FREE FROM FEAR**

Join us this Lent for a powerful and engaging talk by Brandon Powell, a dynamic Catholic speaker who brings Scripture and Church teaching into the real struggles of everyday life. Drawing from Jesus' agony in the Garden of Gethsemane, Brandon explores the power of fear—how it shapes our decisions, challenges our faith, and how Christ invites us to move from fear to trust.

A former evangelical pastor who entered the Catholic Church in 2019 after a profound search for truth, Brandon speaks honestly about faith, fear, and the messy realities of life. His message encourages us to encounter Christ more deeply and to trust Him, even in moments of uncertainty and suffering.
