\$10,000 Match

We have 3 donors that have agreed to match up to \$75,000 in donations for new restrooms for the school. If we reach the match, we would have enough money to remodel the restrooms in the main school building plus some to use for the new windows. We are trying to raise an additional \$128,000 for the new windows.

Once we reach a milestone match level the basketball will be crossed out to show what we have matched thus far. Students will get Incentives at certain milestones.
