Tdap & MCV 4 -- Immunizations Required

Incoming 7th grade students are required, by the State of Ohio, to receive a Tdap vaccine (Tetanus, Diptheria and Pertussis) & a MCV₄ before starting school in August 2023.

These additional vaccines are required due to the increase incidence of Pertussis (Whooping Cough) in teenagers and the prevention of bacterial meningitis. Your child may have received these vaccines during their most recent Well-Check at their doctor's office (approx. age 10 - 12). Please contact your child's doctor's office and find out if they have / need these vaccines. Proof of immunization must be sent to school. Fax 513-863-1859 Or Scan and email to sizemorea@spcsch.org
