OTC MEDICATION PERMIT: IMPORTANT!!!!

Due to changes and requirements within the Archdiocese of Cincinnati, we are not able to administer ANY OTC medications unless we have a signed consent from a parent. We are not able to just take a verbal authorization over the phone anymore. *This would be for things such as Ibuprofen, Tylenol, cough drops, Tums, anti-itch medications, etc.* This is for every now and then situation, not students who are diagnosed with a condition. With that in mind, please fill out the eForm under each student so we can have this on file. *We will contact a parent before administering any pain medication to determine if any had been given already.* ***Thank you for your prompt attention.***
