

ST. WILLIAM CATHOLIC CHURCH

THE PARISH SCOOP –

June 11, 2024

Church Portico - Major structural repairs have been made to the Church Portico.

Church Sign - The Church sign has been completed and installed.

Stern Hall -

Kitchen Dishwasher Repair Project - A new heating element has been purchased for the dishwasher and will be installed by a repairman.

Classrooms - Cabinetry for all the classrooms has been installed.

Hospitality - Parish hospitality is now under the Christian Service Committee umbrella. Starting in September, a Parish Potluck will take place once a month after Sunday's 10:45 AM Mass. Hopefully, many parishioners will take part in this. It's time to get together again. Stay tuned...

Church Music - Do you have a special musical talent - play the piano or guitar? The Parish is in need of music for all the weekend Masses. Even if you can only play once or twice a month, your talent is welcome.

Vacation Bible School - Registration for Vacation Bible School has begun. The theme for this event is "Where Art Meets Faith", and is scheduled for Monday, June 24 - Thursday, June 27. Applications are available for pickup after Mass or at the Church Office. Registration is open to children ages 4 and up.

Women's Self Defense Class - A Women's Self Defense class will be held in Stern Hall on Monday, July 22 from 5:30p - 8:30p. It is free and conducted by Detective Ashley Taylor of the London Police Dept. Due to insurance requirements, this event is open to Parishioners only (female adults/teenagers). Sign up sheet is available on the Kiosk. A great opportunity!

Outreach Office - The Outreach Office provides assistance to those in the community (Laurel County) who need help with a delinquent utility bill (gas, electric, water), rent or sometimes a hotel night. In April 2024, the office assisted 10 families for a total of \$1,853.13. In May 2024, the office assisted 5 families for a total of \$459.99.

Sunday 10:45am Mass - This is live-streamed each week on the church's website: <http://stwilliamlondon.com>
