

Dear Friends,

With great pride, Our Lady of Grace parish has set aside this school year to honor our parish school. Our Lady of Grace School has reached it's 100th Anniversary! For a century the school has sent faith-filled, educated students imbued with the desire to serve into our world. So many Sister Servants of the Immaculate Heart of Mary, lay teachers and school staff contributed their time and talents serving the mission of the school.

Would you help to congratulate and support this outstanding institution by purchasing an ad for our Commemorative Book? The book will be available in the spring of 2023 and there will also be digital access on parish and school websites which will increase the impact of your donation. Information is attached.

*Sincerely,*

*Jack Pashley & Maryjane McHugh*
