FAITHFUL NAVIGATOR'S REPORT

Worthy Sir Knights, fall is upon us, kids are back in school, the elections are soon here and I am sure we all have a lot planned especially with football season starting as well. I got a lot of feedback from my comments in last months newsletter and I thank all for their thoughts and opinions. Just remember, nothing matters if we do not take action to change and or fix things. One of my favorite tourn-outs each year is the UofH Mass to kick of the start of the new school year. This year was no different as we celebrated with a standing room only Mass with our Bishop. The message was clear, you are starting a new part of your life and you must seek Gods guidance and direction. God must be apart of your life each and everyday. You must be active in school and in your religion and most of all you must have fun! We all could do better by living this motto no matter how old we are. The message is the same for all!
