### **Bethesda Project – A Social Outreach**

The SS. Philip and James parish family continues to provide on-going support of the Bethesda Project. This is a program which provides emergency shelters, transitional and long-term housing for Philadelphia's homeless population.

By way of explanation, one ministry of the Bethesda Project is in constant need of useable towels, toiletries (shampoo, toothpaste, etc.), men's new underwear (sizes M, L and XL) and twin flat white sheets. These items allow the homeless to shower, freshen up and change into clean undergarments. It gives them a fresh start and lends dignity to their person.

If you would like to participate, donations of the listed items can be placed in the designated container found in the church vestibule. Contact Lou Ruggeri (484-889-5239) for more info.

## St. Patrick's Day Fun!

A mischievous leprechaun visited our youngest students in Pre-K, Kindergarten, and First Grade. He left footprints and treats!

## Teacher Feature

We would like to extend a warm welcome to Mr. James Myers. Mr. Myers is the new technology teacher for grades Pre-K to 8. He holds a degree in finance and a Master's degree in Education. He is also a Google Certified Educator. Mr. Myers' focus is to give students the tools they need to initiate self-directed learning and critical thinking. Mr. Myers will also be working with the students in coding and robotics. In his spare time, he enjoys skiing and golf, as well as spending time with his dog, Max. Mr. Myers stated, "I'm excited to join SSPJ and help bring some new ideas and fun projects that allow students to display their creativity and ingenuity through Technology." We are very excited Mr. Myers has joined us at SSPJ!

Today we are also featuring Mrs. Aimee Leaf. Mrs. Leaf comes to us from the Chester County Intermediate Unit for Math Support in grades 2-8. Mrs. Leaf earned her bachelor's degree in Elementary and Special Education from Millersville University and her master's degree in Education from Cabrini University. She is currently in her 5th year as a Math Specialist at SSPJ. Mrs. Leaf's teaching philosophy is "Though math is my focus right now, my true passion is simply teaching. I love teaching and learning with my students every day. I believe that part of my role as an educator is to help students find their strengths and to become lifelong learners. Every child has something special to contribute to the classroom, and one day to contribute to society. Math may never be their favorite subject, but my goal is to help students develop resilience, a good work ethic, and critical thinking skills that they can use not just in math, but throughout their lives. I strive to create a nurturing environment where students feel safe, confident, and willing to take risks as they learn and grow." Mrs. Leaf and her husband, Dave, got married in June 2017, and they have a son, Brendan, who turns 2 at the end of May. In her spare time, she enjoys running, swimming, hiking, and kayaking, as well as reading and listening to music. Mrs. Leaf stated "I work at four different schools, which can be difficult to juggle. The SSPJ community is incredibly welcoming and inclusive, and I am very grateful for that." We are grateful Mrs. Leaf is at SSPJ!
