

Dear Divine Savior parishioners,

This Sunday, please join us in showing our gratitude for Denise Hackett's 10 years of ministry as a staff member: leave her a note and express your thanks in person outside the front entrance of the church following 9:30 Mass.

You are invited to read lots of exciting news this week – especially about the upcoming relaxation of COVID restrictions for our area and our diocese. This is the first announcement of this type, with more details to follow in the next two weeks.

For this weekend, however, we continue to ask you to [RSVP](#) for in person participation at all Sunday Masses. Drive up Communion will continue after the 9:30am Mass.

A prayer from Fr. Roman:

Loving God:

We are so very grateful. We are so blessed that you have created us in Your very own image. We give thanks that You had Your Word become human flesh in Jesus. Reflecting on His life of revealing Your love in all the ways that He did is such a rich resource for us, especially those of us who grew up with a very different image of You.

This weekend we joyously celebrate how the ending words of Matthew's Gospel, "I am with you always, until the end of the age" is such a consoling reality. This week we renew by our celebration how precious that gift is as we recognize how Jesus is truly present in the bread and wine that the Holy Spirit changes into Jesus' Body and Blood. At the same time, we allow the Holy Spirit to guide us continuously to see Your goodness in all that You created. And we promise to do what we can to take the best possible care of what You have entrusted to us.

We pray that the Holy Spirit will help us especially to see Your sacred Presence and that of our Divine Savior within every person we interact with. We promise You, O Loving Father/Creator, that we will do our best to see that all Your people are honored fittingly and that we will work to transform the systems by which proper treatment can be more of a reality for all Your beloved. Through Christ our Lord.

Prayers for a blessed weekend,

Fr. Roman, Fr. Marcel, and parish staff

Dear Parishioners of Divine Savior and our cherished visitors:

Exodus 24:3-8; Psalm 116:12-13, 15-18; Hebrews 9:11-15; Mark 14:12-16, 22-26

Today we celebrate the wonderful feast of The Most Holy Body and Blood of Christ. The word “covenant” appears in all our readings except today’s psalm. One understanding of that word is that God is generous in offering us blessings in a vast variety of ways and God expects certain behaviors of us. However, in no way is this a quid pro quo situation. God’s kindness is not based on our behavior; God is love. Nor do we have any hold on God in that we cannot earn what God offers. Rather, in thanksgiving for all of God’s blessing, we do our best to imitate God by following the example of Jesus and loving all people to the best of our ability. [FOR MORE, PLEASE CLICK HERE](#)

GOING DEEPER WITH FR. ROMAN

This weeks edition of “**Going Deeper**”
[The Body and Blood of Christ](#)

All are invited to Going Deeper in the church after morning Mass every Tuesday.

Why do we Do that? Is it important to go to Communion at Mass? Who can go? I don't quite understand the rules.

When we gather together at Mass, we are so much more than spectators. We become **members** in the life and death and resurrection of Jesus, the Christ.

We remain in communion with one another throughout the entire celebration, the apex being when we come together to the Eucharistic table. The Eucharist isn't a prize for the perfect, it is a balm, a medicine, giving us strength, and hope.

We are God's beloved, and need one another, and the nourishment of the Eucharist. Any time we participate in Mass, we are invited to share the Body and Blood with our family. Before attending Mass this weekend, please take a few minutes to explore this week's [Going Deeper](#) discussion on the Body and Blood of Christ.

PARISH ANNOUNCEMENTS

MANY THANKS AND EQUALLY MANY BLESSINGS FOR DENISE HACKETT

As she announced a couple of weeks ago, Denise Hackett has ended her time as a staff member of our parish. I invite all parishioners to pray and express thanks for Denise's many contributions to our parish. Ten years ago, she began to work as a staff member guiding our Youth Confirmation and Junior High Youth Ministry processes as well as working with our children's choir. Five years ago, when I realized I would be the sole priest associated with the parish, I asked her to be Parish Advisor. In that capacity, she not only relieved me of some administrative tasks but also brought us up to date with Human Resources related concerns. She was a very positive influence in helping the entire staff as well as several main committees in the parish to work collaboratively.

I am profoundly grateful for her helping our Parish Pastoral Council to take on more projects for the betterment of our parish. While these accomplishments might not be outwardly noticeable, especially because of COVID, in the coming months we will see increased activity in doing all we can to be as welcoming as possible. Later in the fall, we will launch a process that will guide all of us to allow Jesus to develop a more personal relationship with us. She also oversaw the development of a new five-year plan based on a survey done a couple of years ago which in turn inspired the previously mentioned activity.

We look forward to her continued involvement as a faithful volunteer and we wish her all the best in her new job.

Fr. Roman Mueller, S.D.S.
