Third Sunday of Lent

REFLECTION

Today we hear God deliver the ten commandments to Moses and the Chosen People. The commandments provide a way for them to live up to their part of the covenant. We face the same challenge today. Lent is a wonderful opportunity to examine our consciences and recall times when we have failed to follow one of God's commands and determine which commandments we find difficult to obey consistently. Particularly during this penitential season. Let us repent of our sins, reconcile with God and those we've wronged, and pray for the grace to do better.
