Nineteenth Sunday in Ordinary Time

REFLECTION

In this day and age when we can look up just about anything online and determine what is true and what is real, it's tough to have to rely on faith. But this is what God has asked us to do for thousands of years. One day our time on earth will come to an end – or the world itself will come to an end – and no internet source knows when that will be. We should be prepared at all times, just in case. Let us pray that when we gather together each week to worship God with our community of faith, our own faith is strengthened so that we can face our future with hope and resolve.
