

# Homeroom Parent Sign Up 2023-2024

Thank you for your interest in being a SMM Homeroom Parent for the 2023-2024 school year!

**Please complete this sign up by July 31, 2023.**

Once classroom assignments are shared by SMM in late August, the committee will assign Homeroom Parents for each classroom from the volunteers on this sign up. Please note, you need to complete the sign up each year in order to be considered.

**\*\* Important!! \*\***

(1) We may have more volunteers than we can place for a class, therefore signing up does not guarantee an assignment. The committee does its best to spread the opportunities, and if you're not selected for the upcoming school year we will do our best to place you in the future provided you're still interested and available.

(2) Homeroom Parents should be available to meet with teachers within the first 2 weeks of school to understand how best to assist the teacher throughout the year and obtain a tentative calendar of events.

(3) There are 2 homeroom parents per classroom. Responsibilities include tracking class funds, creating signup geniuses, helping with in-class events and communication (forwarding class and school-wide emails).

(4) You must have a current "For the Sake of God's Children" clearance on file at school. You can find the information to get that on the church website- <https://smmchurch.org/fsgc-program>
