We Share the Air

PLEASE BE SCENT-SITIVE to others around you.

There is an increasing number of parishioners with severe environmental allergies, reacting to perfumes and colognes. In consideration of all members of our congregation, help us to make St. Patrick's a 'scent free' zone, whether you are sitting in the pews or serving in one of our ministries. We appreciate your attention to this matter!

IMPORTANT REMINDER

SUNDAY DONATIONS ENVELOPES

Please destroy any unused 2019 donation envelopes after Dec. 31st. The assigned numbers are used for record keeping and income tax receipts. If your envelope number has changed and you continue to use the old #, your contributions may be credited to someone else. 2020 Donations Envelopes are available for pickup in the Parish Office until Dec. 31st. Envelopes not picked up by this date will be reassigned in the new year.

Please write your name and address on the first couple of envelopes you use in the new year. Donations received at the parish, up to and including December 31st will be credited to your 2019 tax receipt. Donations received January 1st onward will be credited in 2020.

Important Reminder!

REMINDER ON PARKING BY-LAW

In order to maintain safety, reduce parking congestion and maximize access for all who come to worship your cooperation is greatly appreciated.

- Cars can only be parked in designated areas. Cars parked in non-designated areas risk being ticketed
- All egress areas - the aisles and lobby - should be kept clear during all liturgies. An usher may have to redirect you to a seat or ask you to come back for a later liturgy
- In order to save on parking congestion, consider carpooling to the church with a neighbour or a friend
- Saving a seat for your spouse while they park the car is ok but saving a whole row makes it really difficult for ushers to find seats for people. Consider placing your jacket on a coat hook located outside the large hall.
